• *Regulation:* 24 CFR 982.503(b)(1)(iii) Exception Payment Standards up to 120% for PHAs that are currently approved for exception payment standard SAFMRs.

Project/Activity: Notice PIH 2023–29 Extension of Certain Regulatory Waivers for the Housing Choice Voucher (including Mainstream) Program and Streamlined Review Process.

Nature of Requirement: PHAs may request an extension of expedited waiver(s) to allow for establishment of payment standards up to 120 percent of its applicable FY2024 SAFMRs.

Reason Waived: The PHAs were authorized to adopt a payment standard above the basic

range, up to 120 percent of their approved Small Area FMR exception payment standards. These waivers were approved consistent with the streamlined regulatory waiver process in Notice PIH 2023–29, which allowed PHAs to request regulatory waivers that would assist PHAs in responding to ongoing fluctuations and disruptions in the rental market by providing more flexibility with establishing and applying payment standards. These waivers were provided to the PHAs because allowing for an exception payment standard up to 120 percent of the Small Area FMR exception payment standards helped ensure that families living in rental markets with ongoing fluctuations

and disruptions were not adversely impacted by rapidly increasing rents and were able to find rental units with their voucher.

The competition closed on November 6, 2023. HUD rated and selected applications for funding based on selection criteria contained in the NOFO. This competition awarded \$1,000,000 to 1 recipient to fund a Healthy Homes and Weatherization Cooperation Demonstration grant that provides housing interventions in lower-income households that are served by both HUD’s Healthy Homes Production (HHP) program and the Department of Energy’s (DOE’s) Weatherization Assistance Program (WAP) to determine whether coordination between the programs concerning the implementation of healthy homes remediation activities and energy conservation measures achieves cost-effectiveness and better outcomes in improving the safety and quality of homes.

HUD posted the FY23 Lead and Healthy Homes Technical Studies (LHHTS) Grant Program on *grants.gov* September 15, 2023 (FR-6700-N-15). The competition closed on November 6, 2023. HUD rated and selected applications for funding based on selection criteria contained in the NOFO.
