BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1200 (Second Review)]

Large Residential Washers From Mexico

Determination

On the basis of the record developed in the subject five-year review, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the antidumping duty order on large residential washers from Mexico would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted this review on April 1, 2024 (89 FR 22455) and determined on July 5, 2024, that it would conduct an expedited review (89 FR 67669, August 21, 2024).

The Commission made this determination pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determination in this review on October 4, 2024. The views of the Commission are contained in USITC Publication 5552 (October 2024), entitled Large Residential Washers from Mexico: Investigation No. 731-TA-1200 (Second Review).

By order of the Commission.

Issued: October 4, 2024.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Toxic Substances Control Act

On September 30, 2024, the Department of Justice lodged a proposed Consent Decree (the "Consent Decree") with the District Court of the Southern District of New York in a lawsuit

1 The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

entitled United States of America v. Rose Demolition & Carting Inc., Civil Action No. 24-7375.

In this action, the United States seeks, injunctive relief from Rose Demolition & Carting Inc., in connection with the defendant's unlawful work practices during renovations governed by the Renovation, Repair, and Painting Rule, 40 CFR part 745, a rule promulgated under Toxic Substances Control Act ("TSCA"). The proposed consent decree resolves the United States' claims, requires Rose Demolition & Carting Inc. to pay a \$100,000 penalty, and imposes injunctive relief.

The publication of this notice opens the public comment on the proposed settlement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to United States of America v. Rose Demolition & Carting Inc., DJ #90-5-1-1-11139. All comments must be submitted no later than 30 days after the publication date of this notice. Comments may be submitted either by email or by mail:

BILLING CODE P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On September 30, 2024, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of New Jersey in the lawsuit entitled United

States v. EMR (USA Holdings) Inc.; Camden Iron & Metal, Inc.; SPC Corporation; Atlas Traders, LLC; Rhino Recycling, Inc.; Delco Metals, Inc.; Tioga Real Estate, LLC; United Compressed Steel Company; Sims Group USA Holdings Corporation; Simsmetal East LLC f/k/a Hugo Neu Schnitzer East; Metal Management Northeast, Inc; and Mercer Group International of New Jersey, Inc., Civil Action No. 1:24-CV-09545-KMW-MJS.

The proposed Consent Decree resolves the United States' claims on behalf of the Environmental Protection Agency ("EPA") under section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), regarding the Shamrock Enterprises Superfund Site ("Site"), located at 281 Clearfield Avenue, Franklinville, Gloucester County, New Jersey, comprised of 4 lots collectively approximately 52 acres in size and identified as Block 1802, Lots 30, 31, 32, 33 on the Tax Map of Franklin Township, New Jersey. EPA in 2018 removed approximately 3000 compressed gas cylinders containing hazardous substances such as acetylene, ethylene oxide, hydrogen chloride, hydrogen, sulfide, and silane accumulated at the Site. The United States incurred at least \$1,516,119 in response costs at the Site. The settling defendants are generators who sent cylinders containing hazardous substances to the Site and will collectively pay \$900,000.00 to resolve their liability.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to United States v. EMR (USA Holdings) Inc., et al., D.J. Ref. No. Number 90-11-3-12494. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
