(Cayirova) for individual examination as the mandatory respondents in this administrative review.³ On May 21, 2024, we extended the deadline for the preliminary results of this administrative review until September 27, 2024.⁴ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁵ The deadline for the preliminary results is now October 4, 2024.

contribution that gives rise to a benefit to the recipient, and that the subsidy is specific).⁷ For a full description of the methodology underlying our conclusions, see the Preliminary Determination Memorandum.

Partial Rescission of Administrative Review

Commerce may rescind an administrative review of a CVD order when no reviewable entries of subject merchandise exist during the POR for which liquidation is suspended, pursuant to 19 CFR 351.213(d)(3).⁸ Normally, upon completion of an administrative review, suspended entries are liquidated at the CVD assessment rate calculated for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the CVD assessment rate calculated for the POR.¹⁰

Based on our analysis of U.S. Customs and Border Protection (CBP) data, we determine that 10 companies had no entries of subject merchandise during the POR. On September 24, 2024, we notified interested parties of our intent to rescind the administrative review with respect to 10 companies because there are no reviewable entries.¹¹ No parties commented on the notification of intent to rescind, in part. Pursuant to 19 CFR 351.213(d)(3), we are rescinding the administrative review of these companies. For a list of these companies with no reviewable suspended entries of subject merchandise, see Appendix II.

Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.¹⁴ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.¹⁵ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁶

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁷ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. If a request for a hearing is made, we will inform parties of the scheduled date and time of the hearing.

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2022, through December 31, 2022, in accordance with 19 CFR 351.212(c)(1)(i). For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends upon publication of the final

results, to instruct U.S. Customs and Border Protection (CBP) to collect cash deposits of the estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results

Unless extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Interested Parties

These preliminary results and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213 and 351.221(b)(4).

Dated: October 3, 2024.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain carbon and alloy steel cut-to-length plate (CTL plate) from the Federal Republic of Germany (Germany) was not sold in the United States at less than normal value during the period of review (POR) May 1, 2022, through April 30, 2023.

DATES: Applicable October 9, 2024.

FOR FURTHER INFORMATION CONTACT: Ian Riggs, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3810.

SUPPLEMENTARY INFORMATION:

Background

On June 3, 2024, Commerce published the *Preliminary Results* and invited interested parties to comment.¹ We received no comments from interested parties on the *Preliminary Results*, and we have made no changes from the *Preliminary Results*. Accordingly, there is no decision memorandum accompanying this **Federal Register** notice.

On July 22, 2024, Commerce tolled certain deadlines in this administrative

proceeding by seven days.² The deadline for these final results is now October 8, 2024. Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order³

The merchandise covered by the *Order* is CTL plate from Germany. For a complete description of the scope of the *Order*, see the *Preliminary Results*.

Final Results of Review

We determine that the following estimated weighted-average dumping margin exists for the period May 1, 2022, through April 30, 2023:

Producer/exporter	Weighted-average dumping margin (percent)
AG der Dillinger Hüttenwerke	0.00

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the final results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce made no changes from the *Preliminary Results*, there are no new calculations to disclose.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

Because the weighted-average dumping margin for AG der Dillinger Hüttenwerke (Dillinger) is zero or *de minimis* (*i.e.*, less than 0.5 percent) we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. Commerce's "automatic assessment" practice will apply to entries of subject merchandise

³ See *Certain Carbon and Alloy Steel Cut-to-Length Plate from Austria, Belgium, France, the Federal Republic of Germany, Italy, Japan, the Republic of Korea, and Taiwan: Amended Final Affirmative Antidumping Determinations for France, the Federal Republic of Germany, the Republic of Korea, and Taiwan, and Antidumping Duty Orders*, 82 FR 24096 (May 25, 2017) (*Order*).

during the POR produced by Dillinger for which the reviewed company did not know that the merchandise it sold to the intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁴

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of these final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be equal to the weighted-average dumping margin established in the final results of this review; (2) for previously investigated or reviewed companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the less-than-fair-value investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 20.99 percent, the all-others rate established in the *Amended Final Determination*.⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.
