

This notice serves to inform of the Department's intent to request clearance from OMB to conduct topical operations 13 and 14.

The Topical 13 (November) will include experiments on using auxiliary data, "don't know" responses, and dependent data. For the December topical questionnaire (Topical 14) we will collect data using Household Pulse Survey content. For both months, we will conduct a digital incentives test. The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on February 6, 2023, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Panelists and households selected for the Panel were recruited from the Census Bureau's gold standard Master Address File. This ensures the Panel is rooted in this rigorously developed and

maintained frame and available for linkage to administrative records securely maintained and curated by the Census Bureau. Invitations to complete the monthly surveys will be sent via email and SMS messages.

Questionnaires will be mainly internet self-response. The Panel will maintain representativeness by allowing respondents who do not use the internet to respond via computer-assisted telephone interviewing (CATI).
