SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Consumer Financial Protection Bureau (CFPB) requests the extension of the Office of Management and Budget's (OMB's) approval for an existing information collection titled "Consumer Leasing Act (Regulation M)" approved under OMB Control Number 3170–0006.

DATES: Written comments are encouraged and must be received on or before November 15, 2024 to be assured of consideration.

In general, all comments received will become public records, including any personal information provided. SUPPLEMENTARY INFORMATION:

Title of Collection: Consumer Leasing Act (Regulation M).

OMB Control Number: 3170–0006.

Type of Review: Extension without change of a currently approved collection.

Affected Public: Businesses and other for-profit entities.

Estimated Number of Respondents: 13,301.

Estimated Total Annual Burden Hours: 2,062.

Abstract: Consumers rely on the disclosures required by the Consumer

Leasing Act (CLA)¹ and Regulation M² for information to comparison shop among leases as well as to ascertain the true costs and terms of lease offers. Federal/State enforcement and private litigants use the records to ascertain whether accurate and complete disclosures of the cost of leases have been provided to consumers prior to consummation of the lease. This information provides the primary evidence of law violations in CLA enforcement actions brought by Federal agencies. The agency's ability to enforce the CLA would be significantly impaired without Regulation M's recordkeeping requirements.

Request for Comments: The CFPB published a 60-day **Federal Register** notice on July 18, 2024 (89 FR 58354) under Docket Number: CFPB–2024–0030. The CFPB is publishing this notice and soliciting comments on: (a) Whether the collection of information is necessary for the proper performance of the functions of the CFPB, including whether the information will have practical utility; (b) The accuracy of the CFPB's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the

Title of Collection: Impact Aid Discretionary Grant Application (1894-0001).

OMB Control Number: 1810-NEW.

Type of Review: New ICR.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 25.

Total Estimated Number of Annual Burden Hours: 150.

Abstract: The Impact Aid Program, authorized by Title VII of the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), provides financial assistance to Local Educational Agencies (LEAs) whose enrollment or revenues are adversely affected by Federal activities.

The Impact Aid Discretionary Construction Program provides grants to eligible Impact Aid school districts to assist in addressing their school facility emergency and modernization needs. The eligible Impact Aid school districts have a limited ability to raise revenues for capital improvements because they have large areas of Federal land within their boundaries. As a result, these districts find it difficult to respond when their school facilities are in need of emergency repairs or modernization.

This is a new information collection requesting approval through the streamlined discretionary grant application package process (1894-0001). This request is not related to rulemaking.

This collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.

Dated: October 10, 2024.
