

Activity for Which Permit is Requested: Waste Management. The applicant seeks an ACA permit for waste management activities in association with the use of a Remotely Piloted Aircraft System (RPAS) in Antarctica to be used to conduct archaeological surveys. RPAS would only be flown by experienced pilots in fair weather conditions and any flights within Antarctic Specially Protected Areas (ASPA) would occur under a permit and according to the management plan for each ASPA. No overflight of wildlife would occur, and no flights would occur within 930 m of wildlife. Additionally, the RPAS would not be flown higher than 120 m above ground level. A number of mitigation measures would be in place to prevent loss of the RPAS.

Location: Sites/area.

Dates of Permitted Activities: Dates.

SUPPLEMENTARY INFORMATION:

I. Obtaining Information and Submitting Comments

A. Obtaining Information

Please refer to Docket ID NRC–2024–0031 when contacting the NRC about the availability of information for this action. You may obtain publicly available information related to this action by any of the following methods:

- *Federal Rulemaking website:* Go to <https://www.regulations.gov> and search for Docket ID NRC–2024–0031.
- *NRC’s Agencywide Documents Access and Management System (ADAMS):* You may obtain publicly available documents online in the ADAMS Public Documents collection at <https://www.nrc.gov/reading-rm/adams.html>. To begin the search, select “Begin Web-based ADAMS Search.” For problems with ADAMS, please contact the NRC’s Public Document Room (PDR) reference staff at 1–800–397–4209, at 301–415–4737, or by email to PDR.Resource@nrc.gov. The supporting statement is available in ADAMS under Accession No. ML24234A129.

- *NRC’s PDR:* The PDR, where you may examine and order copies of publicly available documents, is open by appointment. To make an appointment to visit the PDR, please send an email to PDR.Resource@nrc.gov or call 1–800–397–4209 or 301–415–4737, between 8 a.m. and 4 p.m. eastern time (ET), Monday through Friday, except Federal holidays.

B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting “Currently under Review—

Open for Public Comments” or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “Requests to Agreement States and Non-Agreement States for Information.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on June 13, 2024, 89 FR 50380.

1. *The title of the information collection:* Requests to Agreement States and Non-Agreement States for Information.

2. *OMB approval number:* 3150–0029.

3. *Type of submission:* Extension.

4. *The form number, if applicable:*

Not applicable.

5. *How often the collection is required or requested:* One-time, on occasion.

6. *Who will be required or asked to respond:* 50 states, the District of Columbia, and Puerto Rico.

7. *The estimated number of annual responses:* 684.

8. *The estimated number of annual respondents:* 52.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 5,472.

10. *Abstract:* The NRC is requesting OMB approval of a plan for a generic collection of information. The need and

practicality of the collection can be evaluated, but the details of the specific individual collections will not be known until a later time. The Agreement States and non-Agreement States will be asked on a one-time or as needed basis to respond to a specific incident, to gather information on licensing and inspection practices or other technical information, or to provide comments on proposed policy and program updates. The results of such information requests, which are authorized under section 274(b) of the Atomic Energy Act, will be utilized in part by the NRC in preparing responses to Congressional inquiries. In addition, the information can assist the Commission in its considerations and decisions involving Atomic Energy Act materials programs in an effort to make the national nuclear materials program more uniform and consistent.

Dated: October 11, 2024.

For the Nuclear Regulatory Commission.

David Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
