

POSCO's weighted-average dumping margin is above *de minimis*, we calculated importer-specific *ad valorem* duty assessment rates by dividing the total amount of antidumping duties calculated for the examined sales by the total entered value of the examined sales to that importer.

In accordance with Commerce's practice, for entries of subject merchandise during the POR produced by POSCO for which it did not know its merchandise was destined for the United States, we intend to instruct CBP to liquidate such entries at the all-others rate if there is no company-specific rate for the intermediate company(ies) involved in the transaction.¹²

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for POSCO will be will be the rates established in these final results of the review; (2) for previously-investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter was not covered in this review or the investigation, but the producer was covered, the cash deposit rate will be the rate established in the most recently completed segment of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 41.10 percent, the all-others rate established in the original less-than-fair-value investigation.¹³ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order (APO)

This notice also serves as the only reminder to parties subject to an APO of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h) and 351.221(b)(5).

Dated: October 10, 2024.

Analysis of Comments Received

All issues raised in HDM Çelik Boru Sanayi Ve Ticaret A.S.'s (HDM Celik's) case brief are addressed in the Issues and Decision Memorandum accompanying this notice. A list of the issues addressed is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a description of the methodology underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

Final Results of Review

We determine that, for the period January 1, 2022, through December 31, 2022, the following total net countervailable subsidy rates exist:

| Producer/exporter | Subsidy rate (percent <i>ad valorem</i>) |
|--|---|
| Çimtaş Boru Imalatari Ticaret Ltd | 2.18 |
| HDM Çelik Boru Sanayi Ve Ticaret A.S. ⁶ | 6.31 |

Disclosure

⁵ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁶ Commerce initiated this review on both HDM Çelik and HDM Spiral Kaynaklı Çelik Boru A.S. (HDM Spiral). See *Initiation Notice*, 88 FR at 44273. However, in the LTFV investigation, we found that HDM Çelik acquired HDM Spiral on October 31, 2017, and HDM Spiral ceased to exist. See *Large Diameter Welded Pipe from the Republic of Turkey: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 83 FR 43646, 43647 (August 27, 2018), unchanged in *Large Diameter Welded Pipe from the Republic of Turkey: Final Determination of Sales at Less Than Fair Value*, 84 FR 6362 (February 27, 2019).

performed in connection with the final results of review within five days of public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we did not make any changes to the calculations in the *Preliminary Results*, there are no calculations to disclose.

Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for the above-listed companies at the applicable *ad valorem* assessment rates listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rates

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above for shipments of the subject merchandise entered, or withdrawn from warehouse for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposits, effective upon the publication of the final results of this review, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3).
