*Title:* Community Reinvestment Act Regulation.

*OMB Control No.:* 1557–0357.

*Type of Review:* Regular.

*Affected Public:* Businesses or other for-profit.

*Description:* The CRA requires the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (agencies) to assess the record of regulated financial institutions (institutions) in helping to meet the credit needs of their entire communities, including low- and moderate-income neighborhoods, consistent with safe and sound operations.<sup>1</sup> The CRA further requires the agencies to take this record into account in evaluating applications for mergers, branches, and certain other corporate activities.<sup>2</sup> The CRA statute requires the agencies to issue regulations to carry out its purposes.<sup>3</sup>

The agencies use the data collected under the CRA regulations to fulfill their statutory obligations, including the assessment of each institution’s record

<sup>1</sup> 12 U.S.C. 2903(a)(1).

of helping to meet the credit needs of local communities. The agencies use the data to support their conclusions regarding an institution's record of performance, in assigning a CRA rating, and in preparing the public evaluations that the statute requires. Additionally, the agencies use these CRA assessments in evaluating an institution's applications for mergers, branches, and other corporate activities. The public uses the data to assess the institution's CRA performance and to participate meaningfully in the application process.

The scope of this information collection covers national banks, insured Federal branches and any Federal branch that is uninsured that results from an acquisition described in section 5(a)(8) of the International Banking Act of 1978 (12 U.S.C. 3103(a)(8)) ("banks") and Federal savings associations ("savings associations").
