

General Description of Collection: The FDIC’s deposit insurance assessment authority is set forth in section 7 of the Federal Deposit Insurance Act, 12 U.S.C. 1817(b) and (c), and promulgated in regulations under 12 CFR part 327. These regulations also set out the process for making adjustments to the total score of these institutions used by the FDIC in making deposit insurance assessments. Depository institutions are permitted to make a written request to the FDIC for an assessment adjustment. An institution is able to request review of, or appeal, an upward adjustment, the magnitude of an upward adjustment,

removal of a previously implemented downward adjustment, or an increase in a previously implemented upward adjustment through the FDIC’s internal review process set forth at 12 CFR 327.4(c). An institution can similarly request review of, or appeal, a decision not to apply an adjustment following a request by the institution for an adjustment. An institution can submit its written request for an adjustment to the FDIC’s Director of the Division of Insurance and Research in Washington, DC. In making such a request, the institution will provide support by including evidence of a material risk or

risk mitigating factor that it believes was not adequately considered. There is no change in the methodology or substance of this information collection. The decrease in total estimated annual burden from 160 hours in 2021 to 80 hours currently is due to a decrease in estimated number or respondents.

General Description of Collection: This information collection comprises recordkeeping and disclosure requirements under regulations issued by the (FDIC, jointly with the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the National Credit Union Administration, the Bureau of Consumer Financial Protection, and the Federal Home Finance Agency that implement the minimum requirements in section 1473 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) to be applied by States in the registration and supervision of appraisal management companies (AMCs). The regulations also implement the requirement in section 1473 of the Dodd-Frank Act for States to report to the Appraisal Subcommittee of the Federal Financial Institutions Examination Council the information required by the ASC to administer the new national registry of AMCs. The information collection requirements are established in 12 CFR part 323 of the FDIC’s codified regulations. There is no change in the methodology or substance of this information collection. The decrease in total estimated annual burden from 2,457 in 2021 to 1,991 currently is due to a change in the estimated number or respondents.

Request for Comment

Comments are invited on (a) whether the collection of information is necessary for the proper performance of the FDIC’s functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

FEDERAL MARITIME COMMISSION

[Docket No. 24–08]

TZ SSE Buyer, LLC, Complainant v. Orient Overseas Container Line Limited and OOCL (Europe) Limited, Respondents; Notice of Filing of Amended Complaint

Served: October 15, 2024.

Notice is given that an amended complaint has been filed with the Federal Maritime Commission (the “Commission”) by TZ SSE Buyer, LLC (the “Complainant”) against Orient Overseas Container Line Limited and OOCL (Europe) Limited (the “Respondents”). Complainant states that the Commission has jurisdiction over the amended complaint pursuant to 46 U.S.C. 41301 through 41309 and personal jurisdiction over the Respondents as ocean common carriers, as defined in 46 U.S.C. 40102(18), that entered into service contracts, as defined in 46 U.S.C. 40102(21), with the original complainants.

Complainant is a Delaware limited liability company with a principal place of business in Toledo, Ohio. Impact Products, LLC and Safety Zone, LLC (the “original complainants”) filed the verified complaint in this proceeding on February 7, 2024, and subsequently filed for Chapter 11 bankruptcy and sold the claims asserted in this proceeding to

Complainant. The original complainants are shippers as this term is defined under 46 U.S.C. 40102(23) with offices in Ohio, Tennessee, and Connecticut, among other locations.

Complainant identifies Respondent Orient Overseas Container Line Limited as a company existing under the laws of Hong Kong with its principal place of business in Wan Chai, Hong Kong, and as a global ocean carrier that acts in the United States through its agent, OOCL (USA) Inc., a New York company with a principal place of business in South Jordan, Utah.

Complainant identifies Respondent OOCL (Europe) Limited as a company existing under the laws of the United Kingdom with a principal place of business in Suffolk, United Kingdom, and as a global ocean carrier that acts in the United States through its agent, OOCL (USA) Inc., a New York company with a principal place of business in South Jordan, Utah.

Complainant alleges that Respondents violated 46 U.S.C. 41102(c) and 41104(a)(10) and 46 CFR 545.5. Complainant alleges these violations arose from assessment of demurrage, detention, per diem, and yard storage charges during periods of time in which the charges were not just or reasonable because of circumstances outside the control of the original complainants and their agents and service providers, and from the acts or omissions of the Respondents that led to the assessment of these charges.

An answer to the amended complaint must be filed with the Commission as provided in Administrative Law Judge Mary Apostolakos Hervey's October 11, 2024, Order Granting Motion for Leave to File Second Amended Complaint. The full text of the amended complaint and this order can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/24-08/>.

The initial decision of the presiding judge shall be issued by February 14, 2025, and the final decision of the Commission shall be issued by August 29, 2025.

David Eng,
Secretary.
