Determinations

The Yale Peabody Museum has determined that:

- The 473 unassociated funerary objects described in this notice are reasonably believed to have been placed intentionally with or near human remains, and are connected, either at the time of death or later, to a death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization. The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

- There is a reasonable connection between the cultural items described in this notice and the Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice

under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after November 21, 2024. If competing requests for repatriation are received, the Yale Peabody Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The Yale Peabody Museum is responsible for sending a copy of this notice to the Indian Tribes identified in this notice and to any other consulting parties.

Notice of Inventory Completion: University of Tennessee, McClung Museum of Natural History & Culture, Knoxville, TN

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Tennessee, McClung Museum of Natural History & Culture (UTK), has completed an inventory of

human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after November 21, 2024.

ADDRESSES: Dr. Ellen Lofaro, University of Tennessee, Office of Repatriation, 5723 Middlebrook Pike, Knoxville, TN 37921-6053, telephone (865) 974-3370, email nagpra@utk.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of UTK, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 56 individuals have been identified. The 397 lots of associated funerary objects are 146 lots of ceramics, 105 lots of faunal remains, 29 lots of lithics, 88 lots of daub, one lot of petrified wood, 17 lots of indeterminate/other objects, 10 lots of botanicals, and one lot of historic objects.

The remains and funerary objects were removed from 40SY1, the Chucalissa site, in Shelby County, TN. The site was excavated in 1940 by T.M.N. Lewis, George Lidberg, and C.H. Nash of the University of Tennessee, Knoxville. After excavation ended, the remains and funerary objects were transferred to UTK. Chucalissa was a Mississippian site, with the most intensive occupation between 900-1500 CE. Some of the remains and associated funerary objects have been "repaired" using an unknown adhesive/s, but to our knowledge, no potentially hazardous substances were used to treat the remains or objects.

During consultation the Quapaw Nation communicated their cultural affiliation with the Chucalissa site, based off the following types of information: historical, geographical, linguistic, anthropological, archaeological, folkloric, oral tradition, and expert opinion.

During consultation, The Chickasaw Nation communicated their cultural affiliation with the Chucalissa site based off historical and geographical information, specifically referencing the

Treaty with the US and the Chickasaw of 1818.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

UTK has determined that:

- The human remains described in this notice represent the physical remains of 56 individuals of Native American ancestry.
- The 397 lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Quapaw Nation and The Chickasaw Nation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after November 21, 2024. If competing requests for repatriation are received, UTK must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. UTK is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
