

Commission estimates that the time and financial burden to the NPAs in completing the proposed form will be significantly lower than required by the corresponding sections of the existing IEE form. Over time, this form will further substantially reduce the burden on NPAs because, in most cases, it will be filled out only once per employee—*i.e.*, when an employee is onboarded—and not on an annual basis as required by the existing IEE form. For employees with a non-permanent disability, the form will be completed on a recurring, seven-year basis. The Commission estimates that approximately 10% of

employees with qualifying disabilities will have non-permanent disabilities. To calculate the burden for completion of the proposed form, the Commission considered an estimate from the Society for Human Resource Management that the average annual turnover across all industries is approximately 18 percent. Using this number, the Commission estimated that NPAs may need to complete this form for approximately 18 percent of their total employees each year. However, AbilityOne employers may experience lower turnover than employers in the general economy. The Commission

acknowledges that net AbilityOne job growth may result in NPAs completing additional forms for new employees. The table below shows the Commission’s estimate for the average amount of time per employee for whom the NPAs complete a form, both in the first year of implementation (“Year 1”) and in the following years of implementation (“Years 2+”). The Commission recognizes that NPAs vary widely in total number of employees. Therefore, an NPA can apply this analysis based on their individual employment totals.

Number of employees for whom NPA must complete form	Annual turnover/entry rate of 18%	Maximum responses for this form	Annual form burden (hours/employee)	Total time burden for all employees (hours)	Annual form cost burden (dollars)
62,798 (Year 1)	11,304	74,102	0.5	37,051	1,144,134.9
11,304 (Years 2+)	2,035	13,339	0.5	6,669.5	205,954.2

NPAs can calculate their overall time burden (in hours) by multiplying the number of qualified direct labor employees they have by 0.5. The cost burden is based upon national average pay data from the U.S. Bureau of Labor Statistics, using the May 2022 National Occupational Employment and Wage Estimate of \$30.88 as the median hourly wage for a Human Resources Specialist (OC 13–1070). With respect to this collection of information via the proposed form, the Commission welcomes comments on the following:

1. The necessity to collect this information to support the Commission’s mission and oversight responsibilities;
2. Methodology to improve the accuracy of the estimated time burden; *i.e.*, specific year-over-year employee turnover rates for NPAs or number of additional employee hires above turnovers, expressed as a percentage of the NPAs’ total number of qualified direct labor employees;
3. Methodology to determine the percentage of individuals with qualifying disabilities who will have non-permanent disabilities;
4. Suggestions or methods to minimize the burdens associated with collecting the information described in this ICR.

Director, Business Operations.

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

Senior Executive Service Performance Review Board

AGENCY: Defense Nuclear Facilities Safety Board.

ACTION: Notice of Members of Senior Executive Service Performance Review Board.

SUMMARY: This notice announces the membership of the Defense Nuclear Facilities Safety Board (DNFSB) Senior Executive Service (SES) Performance Review Board (PRB).

DATES: These appointments are effective on November 14, 2024.

ADDRESSES: Send comments concerning this notice to: Defense Nuclear Facilities Safety Board, 625 Indiana Avenue NW, Suite 700, Washington, DC 20004–2001.

FOR FURTHER INFORMATION CONTACT: LeMont Neal by telephone at (202) 826–9667, or by email at LemontN@dnfsb.gov.

SUPPLEMENTARY INFORMATION: 5 U.S.C. 4314(c)(1) through (5) requires each agency to establish, in accordance with regulations prescribed by the Office of Personnel Management, one or more performance review boards. The PRB shall review and evaluate the initial summary rating of the senior executives’ performance, the executives’ responses, and the higher-level officials’ comments on the initial summary rating. In addition, the PRB will recommend executive performance bonuses and pay increases. The DNFSB is a small, independent Federal agency; therefore, the members of the DNFSB SES Performance Review Board listed in this notice are drawn from the SES ranks of other agencies. The following persons comprise a standing roster to serve as members of the Defense Nuclear Facilities Safety Board SES Performance Review Board:
