V. Schedule for the Decision-Making Process

Below is a tentative schedule for the decision-making process, including environmental review milestones:

Draft EIS publication: April 2025.

Confirmation or modification of the

Preferred Alternative: July 2025.

Final EIS publication: May 2026.

Record of Decision: October 2026.

As noted in the tentative schedule, the Agencies intend to complete the EIS for the Project within two years, measured from the date of the publication of this notice to the date the record of decision (ROD) is signed. The Agencies will accept public comments on the scope of the EIS (*i.e.*, the information presented in this notice and at <https://www.soundtransit.org/system-expansion/ballard-link-extension>) until December 9, 2024. The Agencies will then consider those comments as they prepare the Draft EIS. The Agencies will announce the availability of the Draft EIS in the **Federal Register** and via local media outlets. Sound Transit expects the Draft EIS will be available for a minimum of 45 days for the public comment period in Spring 2025. The Draft EIS will be distributed and available for public and agency review and comment prior to a public hearing. The Agencies will consider substantive comments timely submitted during the public comment period and comments

previously submitted for WSBLE and then anticipate preparing a Final EIS in Spring 2026 and ROD in Fall 2026. The Final EIS will identify a preferred alternative and any necessary mitigation commitments. The Agencies expect that all Federal environmental authorization decisions for the construction of the Project will be completed within a reasonable period following issuance of the ROD.

Notices of public meetings, including hearings, have been, and will continue to be, given through a variety of media providing the time and place of the meeting along with other relevant information. Meeting date, time, and location information can be found on the Project website at <https://www.soundtransit.org/system-expansion/ballard-link-extension>.

Public meeting locations will comply with the Americans with Disabilities Act. People requesting special accommodations should contact Sound Transit via email at ballardlink@soundtransit.org.

Regional Administrator, FTA Region 10.
