BILLING CODE 3510–22–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[RTID 0648–XE423]

Mid-Atlantic Fishery Management Council (MAFMC); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The Mid-Atlantic Fishery Management Council’s Summer Flounder, Scup, and Black Sea Bass Monitoring Committee will hold a public webinar meeting.

DATES: The meeting will be held on Tuesday, November 19, 2024, from 9 a.m. until 12 p.m. For agenda details, see **SUPPLEMENTARY INFORMATION**.

ADDRESSES: The meeting will be held via webinar. Connection information will be posted at www.mafmc.org prior to the meeting.

Council address: Mid-Atlantic Fishery Management Council, 800 N State Street, Suite 201, Dover, DE 19901; telephone: (302) 674–2331; www.mafmc.org.

FOR FURTHER INFORMATION CONTACT: Christopher M. Moore, Ph.D., Executive Director, Mid-Atlantic Fishery Management Council, telephone: (302) 526–5255.

SUPPLEMENTARY INFORMATION: The Summer Flounder, Scup, and Black Sea Bass Monitoring Committee will meet via webinar to discuss 2025 recreational management measures for all three species. Last year, two-year recreational measures were adopted for summer flounder and scup for 2024–2025, with the intent to review 2025 measures in 2024. For black sea bass, recreational measures were previously set only for 2024. The objectives of this meeting are for the Monitoring Committee to: (1) Review recent recreational fishery performance information and recommendations from the Advisory Panel, (2) Review previously adopted recreational measures for summer flounder and scup and recommend any changes if warranted; and (3) Recommend 2025 recreational measures

for black sea bass. Meeting materials will be posted to www.mafmc.org.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to Shelley Spedden, (302) 526–5251, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: October 25, 2024.

Rey Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

BILLING CODE 3510–22–P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; NOAA Satellite Customer Questionnaire

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. Public comments were previously requested via the **Federal Register** on July 25, 2024, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic and Atmospheric Administration, Commerce.

Title: NOAA Satellite Customer Questionnaire.

OMB Control Number: 0648–0227.

Form Number(s): None.

Type of Request: Regular submission [extension of a current information collection].

Number of Respondents: 30.

Average Hours per Response: 6 minutes per response.

Total Annual Burden Hours: 3.

Needs and Uses: This request is for extension of a current information collection.

The National Oceanic and Atmospheric Administration (NOAA)

operates a minimum of four meteorological satellite imagery transmission systems, two from geostationary operational environmental (GOES) satellites and two from Joint Polar Satellite System (JPSS) satellites. In addition, a commercially broadcast data stream and legacy/backup/standby polar-orbiting satellites continue to be operated as their health permits. The data transmitted are available worldwide, and any user can establish a ground receiving station for reception of the data without the prior consent, notification, or other approval from NOAA. With such an open access policy, it is currently not possible to have a comprehensive understanding of the range and numbers of the data users and application of the data received and/or used. The purpose of collecting the information contained in the “Questionnaire” is to satisfy the following objectives: (1) To comply with international agreements such as the Department of Commerce (DOC)/NOAA’s memorandum of understanding (MOU) with the World Meteorological Organization (WMO), so that NOAA can provide environmental satellite data and processed satellite data products to the public domain, and (2) To improve Government efficiencies of data dissemination using cost-saving technologies to minimize the expenditure of personnel and financial resources. The NOAA Policy on Partnerships in the Provision of Environmental Information is also pertinent to this information collection. This policy was developed to strengthen the partnership among government, academia, and the private sector, which provides the nation with high quality environmental information.

The collection of information from a respondent is initiated when an individual contacts National Environmental Satellite, Data, and Information Service (NESDIS) via letter, telephone, fax or email, or when they visit a web page. If the nature of the contact indicates the individual may operate a satellite receiving station for the acquisition of NOAA satellite data or may use NOAA satellite data or services, the individual is requested to complete an on-line electronic questionnaire, which is found on a NOAA internet site. The questionnaire is completed at the respondent’s discretion. The information received is used by NOAA for short-term operations and long-term planning. Collection of this data assists in complying with the terms of the MOU with the WMO, MOU with DOC, and NOAA on areas of

common interest and other international agreements.

Affected Public: Federal government, Not-for-profit institutions.

Frequency: Once.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0648–0227.

Sheleen Dumas,

Departmental PRA Clearance Officer, Office of the Under Secretary for Economic Affairs, Commerce Department.

Mid-Atlantic Fishery Management Council (MAFMC); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The Mid-Atlantic Fishery Management Council's (Council) Law Enforcement Committee will hold a meeting.

DATES: The meeting will be held on Tuesday, November 12, 2024, from 2 p.m. to 4 p.m. See **SUPPLEMENTARY INFORMATION** for agenda details.

ADDRESSES: The meeting will take place via internet webinar. Details on how to connect to the webinar by computer and by telephone will be available at: www.mafmc.org/ (see website Calendar).

Council address: Mid-Atlantic Fishery Management Council, 800 N State Street, Suite 201, Dover, DE 19901; telephone: (302) 674–2331; website: www.mafmc.org.

FOR FURTHER INFORMATION CONTACT: Christopher M. Moore, Ph.D., Executive Director, Mid-Atlantic Fishery

Management Council, telephone: (302) 526–5255.

SUPPLEMENTARY INFORMATION: The Law Enforcement Committee will review a potential butterfly mesh requirement change and make recommendations regarding enforceability issues. An agenda and background documents will be made available on the Council's website (www.mafmc.org) prior to the meeting.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to Shelley Spedden, (302) 526–5251, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: October 25, 2024.

Rey Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[RTID 0648–XE357]

South Atlantic Fishery Management Council; Public Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meetings.

SUMMARY: The South Atlantic Fishery Management Council (Council) will hold three Best Fishing Practices Master Volunteer Program (BFP MVP) Workshops covering best fishing practices, specifically for snapper grouper species, how to get involved in Citizen Science projects, and how to get involved in the Council process.

DATES: The BFP MVP workshops are scheduled for November 19, 2024, November 20, 2024 and November 21, 2024. Workshops will begin at 5 p.m., local time. See **SUPPLEMENTARY INFORMATION**.

ADDRESSES:

Meeting addresses: The workshops will be held in Wilmington, NC; Morehead City, NC; and Cary, NC. See **SUPPLEMENTARY INFORMATION**.

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT:

Ashley Oliver, Best Fishing Practices Outreach Specialist, SAFMC; phone: (843) 571–4366 or toll free: (866) SAFMC–10; fax: (843) 769–4520; email: ashley.oliver@safmc.net.

SUPPLEMENTARY INFORMATION: The Council is hosting a series of BFP MVP workshops along the South Atlantic coast throughout 2024. The workshops are designed to empower key members of the fishing community to share information on best fishing practices and opportunities to get involved in the Council process. Council staff will introduce the BFP MVP and the program's goals and objectives and share information on Best Fishing Practices including the topics of barotrauma and barotrauma mitigation devices. The workshop agenda also includes discussions of the Council's Citizen Science projects, an introduction to the regional fishery management councils, specifically the South Atlantic Fishery Management Council, and how to get involved in the federal fishery management process. If applicable, state agencies will share information pertaining to their fisheries management and BFP efforts. Throughout the workshop, attendees will have the opportunity to share their expertise and ideas with staff on improving outreach efforts in their community. A summary of the 2024 workshops will be provided to the Council for use in ongoing outreach efforts.

Workshop Locations:

Tuesday, November 19, 2024: Cape Fear Museum: 814 Market St., Wilmington, NC 28401; phone: (910) 798–4370;

Wednesday, November 20, 2024: Crystal Coast Civic Center: 203 College Cir, Morehead City, NC; phone: (561) 694–5431; and

Thursday, November 21, 2024: Bass Pro Shops: 801 Bass Pro Lane Cary, NC; phone: (252) 247–3883.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for auxiliary aid should be directed to the Council office (see **ADDRESSES**) 5 days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*
