

hazardous waste exporters on the reverse side of the top copy of the manifest forms instead of the reverse side of Page 2. This includes changing the title of the manifest instructions for the top copy of Manifest Form 8700–22 and 8700–22A from “Instructions for Treatment, Storage, and Disposal Facilities” to “Instructions for Exporters or Owners and Operators of Receiving Facilities Designated on the Manifest.”

With respect to the errors in §§ 262.42 and 262.83, this action corrects errors to certain instructions in part 262 which established regulatory revisions and additions, or both, to the hazardous waste exception reporting requirements at § 262.42 and to the requirements for export shipments of hazardous waste at § 262.83. The corrections to §§ 262.42 and 262.83 are necessary to ensure that certain regulatory amendments established in the July 26 final rule under part 262 are codified accurately and correctly in title 40 of the Code of Federal Regulations.

The EPA is not providing a public comment opportunity prior to promulgation of today’s technical corrections to §§ 262.21(f)(6) and (7), 262.42, and 262.83, nor is the EPA issuing a direct final rulemaking. That is because such public comment is unnecessary under 5 U.S.C. 553(b)(B) of the Administrative Procedure Act (APA). The corrections established in this action today are very minor and non-substantive technical corrections to regulations; thus, the corrections would not substantively alter the regulations established in the final rule in a way that would be of interest to the regulated community or the public. Therefore, pursuant to 5 U.S.C. 553(b)(B) of the Administrative Procedure Act (APA), the EPA finds good cause to promulgate these technical corrections without notice and comment because it would be unnecessary.

Supporting the Head Start Workforce and Consistent Quality Programming; Announcement and Correction

AGENCY: Office of Head Start, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Final rule; announcement and correcting amendment.

SUMMARY: The Department of Health and Human Services is correcting a final rule that appeared in the **Federal Register** on August 21, 2024. The effective date of that final rule was listed in the preamble as the date of publication, August 21, 2024, when it should have had the required 60-day delay to comply with the Congressional Review Act. The effective date should have been October 21, 2024. Additionally, the final rule inadvertently included an incorrect citation in the requirements for family partnership services, and failed to

include the compliance date for the requirements for staff benefits (August 1, 2028) in the regulatory text.

DATES: The corrections in this document are effective October 31, 2024.

SUPPLEMENTARY INFORMATION: On August 21, 2024, HHS published a final rule amending 45 CFR parts 1301, 1302, 1303, 1304, and 1305. We incorrectly established the effective date as August 21, 2024. The intention was for the rule to become effective on October 21, 2024. The earliest compliance date was correctly identified as October 21, 2024, in the final rule.
