AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on certain frozen warmwater shrimp (shrimp) from the People’s Republic of China (China) for the period of review (POR) February 1, 2023, through January 31, 2024.

DATES: Applicable November 1, 2024.

FOR FURTHER INFORMATION CONTACT: Eric Hawkins, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; phone: 202–482–1988.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2005, Commerce published in the **Federal Register** the AD order on shrimp from China.¹ On April 9, 2024, Commerce published in the **Federal Register** a notice of initiation of administrative review with respect to imports of shrimp from China in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i).² On May 21, 2024, we placed on the record data from the U.S. Customs and Border Protection (CBP) for entries of shrimp from China during the POR, showing no

reviewable POR entries for any company listed in the *Initiation Notice* and invited interested parties to comment.³ Commerce received no comments from any interested parties.

On May 24, 2024, Commerce notified all interested parties of our intent to rescind the review because there were no reviewable, suspended entries of subject merchandise by any of the companies subject to this review during the POR as listed in the *Initiation Notice* and invited interested parties to comment.⁴ We did not receive any comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce’s practice to rescind an administrative review of an AD order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁵ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.⁶ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the AD assessment rate calculated for the review period.⁷ As noted above, there were no entries of subject merchandise for the companies subject to this review during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of
