

FIPs for certain SO₂ nonattainment areas; and (iii) determine whether certain nonattainment areas had timely attained the NAAQS. Subsequently, EPA issued a notice determining that the areas alleged to have failed to submit SIPs in fact had so failed, thus mooted Plaintiffs' claim on those grounds.

The EPA solicits public comments on a proposed consent decree that would establish deadlines for EPA to take proposed and final actions pursuant to CAA sections 110(c) and 179(c) related to the 2010 primary SO₂ NAAQS. The consent decree would require that EPA no later than December 19, 2024, sign a final notice (or notices) determining under CAA section 179(c) whether the Anne-Arundel/Baltimore County, MD; Alton Township, IL; St. Clair, MI; Freestone-Anderson, TX; Rusk-Panola, TX; Titus, TX; Evangeline Parish, LA; and Piti-Cabras, Guam, nonattainment areas timely attained the 2010 primary SO₂ NAAQS; and by August 29, 2025, sign a final notice under CAA section 179(c) determining whether the Huntington, IN nonattainment area timely attained the NAAQS and sign a final notice promulgating a FIP for that area under the NAAQS. The consent decree would also require that EPA no later than September 30, 2025, sign a proposed notice (or notices) to promulgate FIPs under the NAAQS for the Piti-Cabras, Guam and Evangeline Parish, LA nonattainment areas and by March 31, 2026, sign a final notice (or notices) promulgating FIPs under the NAAQS for the Piti-Cabras, Guam and Evangeline Parish, LA nonattainment areas; and by August 28, 2026, sign a final notice promulgating a FIP under the NAAQS for the Hayden, AZ nonattainment area. In addition, the consent decree would require that EPA no later than January 14, 2027, sign a proposed notice (or notices) to promulgate FIPs under the NAAQS for the Guayama-Salinas and San Juan, Puerto Rico nonattainment areas and by June 1, 2027, sign a final notice (or notices) promulgating FIPs under the NAAQS for the Guayama-Salinas and San Juan, Puerto Rico nonattainment areas; and by November 1, 2027, sign a final notice (or notices) determining whether the Guayama-Salinas and San Juan, Puerto Rico nonattainment areas timely attained the NAAQS.

For a period of thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed consent decree. The EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose

facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act.

III. Additional Information About Commenting on the Proposed Consent Decree

Submit your comments, identified by Docket ID No. EPA-HQ-OGC-2024-0490, via <https://www.regulations.gov>. Once submitted, comments cannot be edited or removed from this docket. The EPA may publish any comment received to its public docket. Do not submit to EPA's docket at <https://www.regulations.gov> any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <https://www.epa.gov/dockets/commenting-epa-dockets>. For additional information about submitting information identified as CBI, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this document. Note that written comments containing CBI and submitted by mail may be delayed and deliveries or couriers will be received by scheduled appointment only.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an email address or other contact information in the body of your comment. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the <https://www.regulations.gov> website to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, email address, or other contact information unless you provide it in the body of your comment.

Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." The EPA is not required to consider these late comments.

DATES: Friday, December 6, 2024, from 10 a.m. to 2 p.m.

ADDRESSES: The CEDC meeting will be held in a hybrid manner. The public may attend the meeting in person at FCC headquarters at 45 L Street NE, Washington, DC. The meeting also will be available to the public for viewing via the internet at <https://www.fcc.gov/live>.

FOR FURTHER INFORMATION CONTACT:

Rodney McDonald, Designated Federal Officer (DFO) of the CEDC, (202) 418–7513, Rodney.McDonald@fcc.gov; Diana Coho, Deputy DFO of the CEDC, (717) 338–2848, Diana.Coho@fcc.gov; Connor Ferraro, Deputy DFO of the CEDC, (202) 418–1322, Connor.Ferraro@fcc.gov; or Sima Nilsson, Deputy DFO of the CEDC, (202) 418–2708, Sima.Nilsson@fcc.gov. More information about the CEDC is available at <https://www.fcc.gov/communications-equity-and-diversity-council>.

SUPPLEMENTARY INFORMATION: The CEDC meeting is accessible to the public on the internet via live feed from the FCC's web page at <https://www.fcc.gov/live>. Open captioning will be provided for this event. Other reasonable accommodations for persons with disabilities are available upon request. Requests for such accommodations should be submitted via email to fcc504@fcc.gov or by calling the Consumer and Governmental Affairs Bureau at (202) 418–0530 (voice). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the Commission to contact the requester if more information is needed to fulfill the request. Please allow at least five days' advance notice for accommodation requests; last minute requests will be accepted but may not be possible to accommodate. Members of the public may submit any questions during the meeting to livequestions@fcc.gov. Oral statements at the meeting by parties or entities not represented on the CEDC will be permitted to the extent time permits and at the discretion of the CEDC Chair and the DFO. Members of the public also may submit comments to the CEDC using the FCC's Electronic Comment Filing System, ECFS, at www.fcc.gov/ecfs. Comments to the CEDC should be filed in GN Docket No. 17–208.

Proposed Agenda: The agenda for the meeting will include introducing a new Deputy DFO for the CEDC, introducing new CEDC working group co-chairs for the Innovation and Access Working Group, receiving updates from the working groups, and discussing working group plans going forward. The agenda may be modified at the discretion of the CEDC Chair and the DFO. It is anticipated that any significant agenda modifications will be posted in advance on the CEDC web page. The Council's continuing mission is to make recommendations to the Commission on advancing equity in the provision of and access to digital communication services and products for all people of

the United States, without discrimination on the basis of race, color, religion, national origin, sex, or disability. It shall provide recommendations to the Commission on how to empower people of color and others who have been historically underserved, including persons who live in rural areas, and persons otherwise adversely affected by persistent poverty or inequality, to access, leverage, and benefit from the wide range of opportunities made possible by technology, communication services, and next-generation networks. The CEDC is organized under, and operates in accordance with, the provisions of the Federal Advisory Committee Act (5 U.S.C. app. 10).
