SUPPLEMENTARY INFORMATION: The U.S. Department of Homeland Security (DHS), on behalf of the Forced Labor Enforcement Task Force (FLETF), is announcing the publication of the updated UFLPA Entity List, a consolidated register of the four lists required to be developed and maintained pursuant to section 2(d)(2)(B) of the Uyghur Forced Labor Prevention Act (Pub. L. 117-78) (UFLPA), to <https://www.dhs.gov/uflpa-entity-list>. The UFLPA Entity List is available as an appendix to this notice. This update adds four entities to the section 2(d)(2)(B)(v) list of the UFLPA, which identifies facilities and entities that source material from the Xinjiang Uyghur Autonomous Region or from persons working with the government of Xinjiang or the Xinjiang Production and Construction Corps for purposes of the "poverty alleviation" program or the "pairing-assistance" program or any other government labor scheme that uses forced labor. This update also removes one entity from the section 2(d)(2)(B)(i) list of the UFLPA, which identifies entities in the Xinjiang Uyghur Autonomous Region that mine, produce, or manufacture wholly or in part any goods, wares, articles, and merchandise with forced labor. Future revisions to the UFLPA Entity List, which may include additions, removals or technical corrections, will be published to <https://www.dhs.gov/uflpa-entitylist> and in the appendices of future **Federal Register** notices. See appendix 1.

Beginning on June 21, 2022, the UFLPA requires the Commissioner of U.S. Customs and Border Protection to apply a rebuttable presumption that goods mined, produced, or manufactured by entities on the UFLPA Entity List are made with forced labor, and therefore, prohibited from importation into the United States under 19 U.S.C. 1307. See section 3(a) of the UFLPA. As the FLETF revises the UFLPA Entity List, including by making additions, removals, or technical corrections, DHS, on its behalf, will post such revisions to the DHS UFLPA website (<https://www.dhs.gov/uflpa-entity-list>) and also publish the revised UFLPA Entity List as an appendix to a **Federal Register** notice.

Background

A. The Forced Labor Enforcement Task Force

Section 741 of the United States-Mexico-Canada Agreement Implementation Act established the FLETF to monitor United States enforcement of the prohibition under section 307 of the Tariff Act of 1930, as amended (19 U.S.C. 1307). See 19 U.S.C. 4681. Pursuant to DHS Delegation Order No. 23034, the DHS Under Secretary for Strategy, Policy, and Plans serves as Chair of the FLETF, an interagency task force that includes the Department of Homeland Security, the Office of the U.S. Trade Representative, and the Departments of Labor, State, Justice, the Treasury, and Commerce (member agencies).¹ See 19 U.S.C. 4681; Executive Order 13923 (May 15, 2020). In addition, the FLETF includes six observer agencies: the Departments of Energy and Agriculture, the U.S. Agency for International Development, the National Security Council, U.S. Customs and Border Protection, and U.S. Immigration and Customs Enforcement Homeland Security Investigations.

B. The Uyghur Forced Labor Prevention Act: Preventing Goods Made With Forced Labor in the People's Republic of China From Being Imported Into the United States

The UFLPA requires, among other things, that the FLETF, in consultation with the Secretary of Commerce and the Director of National Intelligence, develop a strategy (UFLPA section 2(c)) for supporting enforcement of section 307 of the Tariff Act of 1930, to prevent the importation into the United States of goods, wares, articles, and merchandise mined, produced, or manufactured wholly or in part with forced labor in the People's Republic of China. As required by the UFLPA, the *Strategy to Prevent the Importation of Goods Mined, Produced, or Manufactured with Forced Labor in the People's Republic of China*, which was published on the DHS website on June 17, 2022 (see <https://www.dhs.gov/uflpa-strategy>), includes the initial UFLPA Entity List, a consolidated register of the four lists required to be developed and maintained pursuant to the UFLPA. See UFLPA section 2(d)(2)(B).

¹ The U.S. Department of Homeland Security, as the FLETF Chair, has the authority to invite representatives from other executive departments and agencies, as appropriate. See Executive Order 13923 (May 15, 2020). The U.S. Department of Commerce is a member of the FLETF as invited by the Chair.

C. UFLPA Entity List

The UFLPA Entity List addresses distinct requirements set forth in clauses (i), (ii), (iv), and (v) of section 2(d)(2)(B) of the UFLPA that the FLETF identify and publish the following four lists:

- (1) a list of entities in the Xinjiang Uyghur Autonomous Region that mine, produce, or manufacture wholly or in part any goods, wares, articles, and merchandise with forced labor;
- (2) a list of entities working with the government of the Xinjiang Uyghur Autonomous Region to recruit, transport, transfer, harbor or receive forced labor or Uyghurs, Kazakhs, Kyrgyz, or members of other persecuted groups out of the Xinjiang Uyghur Autonomous Region;
- (3) a list of entities that exported products made by entities in lists 1 and 2 from the People's Republic of China into the United States; and
- (4) a list of facilities and entities, including the Xinjiang Production and Construction Corps, that source material from the Xinjiang Uyghur Autonomous Region or from persons working with the government of Xinjiang or the Xinjiang Production and Construction Corps for purposes of the "poverty alleviation" program or the "pairing-assistance" program or any other government-labor scheme that uses forced labor.

The UFLPA Entity List is a consolidated register of the above four lists. In accordance with section 3(e) of the UFLPA, effective June 21, 2022, entities on the UFLPA Entity List (listed entities) are subject to the UFLPA's rebuttable presumption that products they produce, wholly or in part, are prohibited from entry into the United States under 19 U.S.C. 1307. The UFLPA Entity List is described in appendix 1 to this notice. The UFLPA Entity List should not be interpreted as an exhaustive list of entities engaged in the practices described in clauses (i), (ii), (iv), or (v) of section 2(d)(2)(B) of the UFLPA.

Revisions to the UFLPA Entity List, including all additions, removals, and technical corrections, will be published on the DHS UFLPA website (<https://www.dhs.gov/uflpa-entity-list>) and as an appendix to a notice that will be published in the **Federal Register**. See appendix 1. The FLETF will consider future additions to, or removals from, the UFLPA Entity List based on criteria described in clauses (i), (ii), (iv), or (v) of section 2(d)(2)(B) of the UFLPA. Any FLETF member agency may submit a recommendation(s) to add, remove or make technical corrections to an entry

on the UFLPA Entity List. FLETF member agencies will review and vote on revisions to the UFLPA Entity List accordingly.

Additions to the Entity List

The FLETF will consider future additions to the UFLPA Entity List based on the criteria described in clauses (i), (ii), (iv), or (v) of section 2(d)(2)(B) of the UFLPA. Any FLETF member agency may submit a recommendation to the FLETF Chair to add an entity to the UFLPA Entity List. Following review of the recommendation by the FLETF member agencies, the decision to add an entity to the UFLPA Entity List will be made by majority vote of the FLETF member agencies.

Requests for Removal From the Entity List

Any listed entity may submit a request for removal (removal request) from the UFLPA Entity List along with supporting information to the FLETF Chair at FLETF.UFLPA.EntityList@hq.dhs.gov. In the removal request, the entity (or its designated representative) should provide information that demonstrates that the entity no longer meets or does not meet the criteria described in the applicable clause ((i), (ii), (iv), or (v)) of section 2(d)(2)(B) of the UFLPA. The FLETF Chair will refer all such removal requests and supporting information to FLETF member agencies. Upon receipt of the removal request, the FLETF Chair or the Chair's designated representative may contact the entity on behalf of the FLETF regarding questions on the removal request and may request additional information. Following review of the removal request by the FLETF member agencies, the decision to remove an entity from the UFLPA Entity List will be made by majority vote of the FLETF member agencies.

Listed entities may request a meeting with the FLETF after submitting a removal request in writing to the FLETF Chair at FLETF.UFLPA.EntityList@hq.dhs.gov. Following its review of a removal request, the FLETF may accept the meeting request at the conclusion of the review period and, if accepted, will hold the meeting prior to voting on the entity's removal request. The FLETF Chair will advise the entity in writing of the FLETF's decision on its removal request. While the FLETF's decision on a removal request is not appealable, the FLETF will consider new removal

requests if accompanied by new information.

Robert Silvers,

Under Secretary, Office of Strategy, Policy, and Plans, U.S. Department of Homeland Security.

Appendix 1

This notice supersedes the UFLPA Entity List published in the **Federal Register** on October 3, 2024 (89 FR 80586). The UFLPA Entity List as of November 1, 2024 is available in this appendix and is published on <https://www.dhs.gov/uflpa-entity-list>. This update adds four entities to the section 2(d)(2)(B)(v) list of the UFLPA, which identifies facilities and entities that source material from the Xinjiang Uyghur Autonomous Region or from persons working with the government of Xinjiang or the Xinjiang Production and Construction Corps for purposes of the "poverty alleviation" program or the "pairing-assistance" program or any other government labor scheme that uses forced labor:

- Changji Esquel Textile Co., Ltd. (also known as Changji Yida Textile Co., Ltd.)
- Esquel Group (also known as Esquel China Holdings Limited)
- Guangdong Esquel Textile Co., Ltd.
- Turpan Esquel Textile Co., Ltd.

This update also removes one entity from the section 2(d)(2)(B)(i) list of the UFLPA, which identifies entities in the Xinjiang Uyghur Autonomous Region that mine, produce, or manufacture wholly or in part any goods, wares, articles, and merchandise with forced labor:

- Changji Esquel Textile Co. Ltd. (and one alias: Changji Yida Textile)

Changji Esquel Textile Co., Ltd. (also known as Changji Yida Textile Co., Ltd.) is a company based in Changji Prefecture, Xinjiang Uyghur Autonomous Region that is engaged in cotton yarn production and sales. The United States Government has reasonable cause to believe, based on specific and articulable information, that Changji Esquel Textile Co., Ltd. sources material from the Xinjiang Uyghur Autonomous Region. The FLETF therefore determined that the activities of Changji Esquel Textile Co., Ltd. satisfy the criteria for addition to the UFLPA Entity List described in section 2(d)(2)(B)(v).

Esquel Group (also known as Esquel China Holdings Limited) is a company based in Hong Kong that is engaged in cotton and garment manufacturing and retail. The United States Government has reasonable cause to believe, based on specific and articulable information,

that Esquel Group sources material from the Xinjiang Uyghur Autonomous Region. The FLETF therefore determined that the activities of Esquel Group satisfy the criteria for addition to the UFLPA Entity List described in section 2(d)(2)(B)(v).

Guangdong Esquel Textile Co., Ltd. is a company based in Forshan City, Guangdong Province that is engaged in textiles, clothing, and apparel processing and manufacturing. The United States Government has reasonable cause to believe, based on specific and articulable information, that Guangdong Esquel Textile Co., Ltd. sources material from the Xinjiang Uyghur Autonomous Region. The FLETF therefore determined that the activities of Guangdong Esquel Textile Co., Ltd. satisfy the criteria for addition to the UFLPA Entity List described in section 2(d)(2)(B)(v).

Turpan Esquel Textile Co., Ltd. is a company based in Turpan City, Xinjiang Uyghur Autonomous Region that is engaged cotton, cotton yarn, and cloth production and sales. The United States Government has reasonable cause to believe, based on specific and articulable information, that Turpan Esquel Textile Co., Ltd. sources material from the Xinjiang Uyghur Autonomous Region. The FLETF therefore determined that the activities of Turpan Esquel Textile Co., Ltd. satisfy the criteria for addition to the UFLPA Entity List described in section 2(d)(2)(B)(v).

Changji Esquel Textile Co. Ltd. is a company based in Changji Prefecture, Xinjiang Uyghur Autonomous Region that is engaged in cotton yarn production and sales. The FLETF has determined that there is no longer reasonable cause to believe that Changji Esquel Textile Co. Ltd. meets the criteria described in section 2(d)(2)(B)(i) of the UFLPA and that Changji Esquel Textile Co. Ltd.'s removal from Section 2(d)(2)(B)(i) of the UFLPA Entity List is warranted.

No technical corrections are being made to the UFLPA Entity List at this time.

The UFLPA Entity List is a consolidated register of the four lists that are required to be developed and maintained pursuant to section 2(d)(2)(B) of the UFLPA. Seventy-eight entities that meet the criteria set forth in the four required lists (see sections 2(d)(2)(B)(i), (ii), (iv), and (v) of the UFLPA) are specified on the UFLPA Entity List.
