The committee will perform several advisory functions while it considers HUD policies that affect Indian Country. HUD will publish a subsequent notice with details of any scheduled TIAC meeting.

FOR FURTHER INFORMATION CONTACT: Heidi J. SUPPLEMENTARY INFORMATION:

I. Background

On January 26, 2021, President Biden issued a Presidential Memorandum on Tribal Consultation and Strengthening Nation-to-Nation Relationships.¹ The memorandum directed all Federal agencies to take actions to strengthen their Tribal consultation policies and practices and to further the purposes of Executive Order 13175 (Consultation and Coordination With Indian Tribal Governments).

On November 15, 2021 (86 FR 63051), to enhance consultation and collaboration with Tribal governments, HUD published a notice in the **Federal Register** announcing its intention to establish its first Tribal advisory committee known as the “Tribal Intergovernmental Advisory Committee” (TIAC). The notice also solicited Tribal feedback on a proposed TIAC structure and its functions. On March 31, 2022 (87 FR 18807), HUD published a notice in the **Federal Register** that announced the final structure of the TIAC and requested the submission of Tribal nominations to the TIAC. HUD selected 15 members for its inaugural TIAC, beginning in January 2023.

On April 8, 2024 (89 FR 24484), HUD published a notice in the **Federal Register** requesting submission of Tribal nominations to the TIAC for two-year terms to begin in January 2025 (replacing eight positions whose terms were set to expire at the end of December 2024).

II. The Tribal Intergovernmental Advisory Committee

Today's notice announces the membership of the TIAC starting January 2025 (returning members as well as new members). The purpose of the TIAC is to further facilitate intergovernmental communication between HUD and Tribal leaders of federally recognized Tribes on all HUD programs, to make recommendations to HUD regarding current program regulations that may require revision, as well as suggest rulemaking methods to develop such changes, and to advise in the development of HUD's American Indian and Alaska Native (AI/AN) housing priorities. The function of TIAC is not to replace Tribal consultation, but rather to serve as a tool to help supplement it.

In making the selections for membership on the TIAC, HUD's goal was to establish a committee whose
