Abstract: As codified in 25 U.S.C. 4001 *et seq.*, The American Indian Trust Fund Management Reform Act of 1994 (the Reform Act) makes provisions for the Bureau of Trust Funds Administration (formerly known as the Office of the Special Trustee for American Indians) to administer trust fund accounts for individuals and Tribes. This collection of information is required to fulfill the mission of the Bureau of Trust Funds Administration (BTFA) and the Secretary of the Interior's responsibility for evaluating all Public Law 93–638 Compact Tribes administering or managing trust programs, functions, services, and/or activities on behalf of the Secretary of the Interior. This responsibility is federally mandated pursuant to 25 U.S.C. 458cc(d) and 25 CFR 1000.350. BTFA is responsible under 25 U.S.C. 4041 for overseeing the implementation of trust reforms, trust accounting, and coordination of trust policies intra-bureau-wide related to the management of Indian trust funds and assets. The BTFA, Division of Trust Evaluation and Review (DTER), formerly the Office of

Trust Audit and Review (OTRA), is responsible for conducting tribal trust evaluations on Tribes performing Indian trust programs and functions pursuant to a Tribal Self-Governance Compact or Annual Funding Agreement. In addition, DTER has a congressional mandate to conduct Annual Tribal Trust Evaluations for Tribes that compact trust programs, functions, services, and/or activities under Public Law 93–638 Self-Governance Compacts on behalf of the Secretary of the Interior. This authority is contained in 25 U.S.C. 5363(d)(1) & (2) and the enabling regulations in 25 CFR 1000.350. DTER currently collects Indian trust data and documentation from Tribes in fulfillment of performing the Tribal trust evaluations for compacted Tribes. These evaluations are enabled by performing desk reviews (via email electronic questionnaires), and on-site visits to Tribes.

Under 25 CFR 1000.355, the Secretary's designated representative will conduct trust evaluations for each self-governance Tribe that has an annual funding agreement. The end result is the issuance of a report, which is required by 25 CFR 1000.365. Currently, DTER conducts either desk reviews and/or on-site reviews (pre- and post-COVID–19 pandemic) of trust operations where a Tribe has compacted a trust program. During that review, under current methodology, interviews are conducted and documents are requested. A draft report is written and provided to the Tribe for comment where applicable. Comments received back are incorporated into the report, and a final report is issued to the Tribe.
