Scope of the Order⁵

The merchandise covered by the *Order* is MAE from China. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised by interested parties in briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is provided in an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Changes Since the Preliminary Results

Based on our review and analysis of the comments received from the interested parties, we made changes to the *Preliminary Results* margin calculation for Dingli,⁶ the sole company under review, which resulted in changes to its preliminary margin.

2023, 89 FR 35067 (May 1, 2024) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

Separate Rate

Commerce determines that Dingli is eligible to receive a separate rate in this administrative review.⁷ There are no other companies under review.

China-Wide Entity

Commerce's policy regarding the conditional review of the China-wide entity applies to this administrative review.⁸ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the China-wide entity is not under review, and the China-wide entity's rate (*i.e.*, 165.14 percent) is not subject to change.

Final Results of Review

We determine that the following weighted-average dumping margin exists for the period April 13, 2022, through March 31, 2023, for the mandatory respondent:

Exporter	Weighted-average dumping margin (percent)
Zhejiang Dingli Machinery Co., Ltd	12.39

Disclosure

We intend to disclose the calculations performed for these final results to interested parties within five days after the publication of this notice.⁹

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review.

Because Dingli's *ad valorem* weighted-average final dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent), we have calculated importer-specific assessment rates for this respondent, in accordance with 19 CFR 351.212(b)(1).¹⁰
