

**Amended Final Determination and Order**

Because there is now a final court judgment, Commerce is amending its *Final Determination and Order* to revise the dumping margins assigned to Asia Pacific and all other producers and exporters of subject merchandise, as follows:

| Producer or exporter           | Weighted-average dumping margin (percent) |
|--------------------------------|-------------------------------------------|
| PT. Asia Pacific Fibers Tbk .. | 9.20                                      |
| All Others .....               | 8.72                                      |

**Cash Deposit Requirements**

Because Asia Pacific does not have a superseding cash deposit rate, *i.e.*, there have been no final results published in a subsequent review of Asia Pacific, and because of the change to the rate assigned to all other producers and exporters of subject merchandise, Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP).

**Liquidation of Suspended Entries**

At this time, Commerce remains enjoined by CIT order from liquidating entries that were produced or exported by Asia Pacific, that were subject of Commerce’s *Final Determination*, and subject to the *Order*, and that were entered, or withdrawn from warehouse, for consumption during the periods of June 3, 2021 through November 29, 2021 and December 13, 2021 through November 30, 2022. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT’s ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise produced by or exported by Asia Pacific in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this investigation when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an importer-specific *ad valorem* assessment rate is zero or *de minimis*,<sup>9</sup> we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

<sup>9</sup> See 19 CFR 351.106(c)(2).

**Notification to Interested Parties**

This notice is issued and published in accordance with sections 516A(c) and (e) and 777(i)(1) of the Act.
