**Background**

On August 27, 2008, Commerce published the CVD order on sodium nitrite from China.<sup>1</sup> On July 1, 2024, Commerce published the notice of initiation of the third five-year sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> On July 10, 2024, Commerce received a timely notice of intent to participate from Chemtrade Chemicals US LLC (domestic interested party) within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> The domestic interested party claimed interested party status under section 771(9)(C) of the Act and 19 CFR 351.102(b)(29)(v), as a domestic producer of sodium nitrite.

Commerce received a substantive response from the domestic interested party within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>4</sup> We received no substantive response from the Government of China or any other interested party in this proceeding.<sup>5</sup> As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), we determined that the respondent interested parties did not provide an adequate response to the notice of initiation and, therefore, Commerce conducted an expedited (120-day) sunset review of the *Order*.

**Scope of the Order**

The product covered by the *Order* is sodium nitrite from China. For a complete description of the scope of the

<sup>3</sup> See Domestic Interested Party’s Letter, “Domestic Industry’s Notice of Intent to Participate,” dated July 16, 2024.

**Background**

On August 15, 2019, Commerce published the Order on steel propane cylinders from China.<sup>1</sup> On July 1, 2024, Commerce published the notice of initiation of the first sunset review of the Order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> On July 16, 2024, Commerce received a notice of intent to participate from Worthington Enterprises (the domestic interested party), within the deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> The domestic interested party claimed interested party status under section 771(9)(C) of the Act as a U.S. producer engaged in the production of steel propane cylinders in the United States.

On July 30, 2024, Commerce received an adequate substantive response from the domestic interested party within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>4</sup> Commerce did not receive a substantive response from any government or respondent interested party to this proceeding. On August 21, 2024, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from any respondent interested party.<sup>5</sup> As a result, Commerce conducted an expedited (120-day) sunset review of the Order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2).

**Scope of the Order**

The merchandise covered by this Order is steel propane cylinders from China. For a complete description of the
