**SUPPLEMENTARY INFORMATION:****Background**

On October 5, 2018, Commerce published the countervailing duty order on stainless steel flanges from India.<sup>1</sup> On December 6, 2023, Commerce published a notice of initiation of an administrative review of the *Order*.<sup>2</sup> On May 30, 2024, Commerce extended the time period for issuing these preliminary results by 120 days, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).<sup>3</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative review by seven days.<sup>4</sup> The deadline for these preliminary results is now November 6, 2024.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>5</sup> A list of topics

discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Scope of the Order**

The merchandise covered by the *Order* is stainless steel flanges from India. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient, and the subsidy is specific.<sup>6</sup> For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

**Partial Rescission of Administrative Review**

Commerce's practice is to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(1), when the interested party that requested a review withdraws the request within 90 days of publication of notice of initiation of the requested review. Commerce received timely-filed withdrawal requests with respect to five companies, pursuant to 19 CFR 351.213(d)(1): (1) BFN Forgings Private Limited; (2) Chandan Steel Limited; (3) Fivebros Forgings Private Limited; (4) Hilton Metal Forging Limited; and (5) Kisaan Die Tech Pvt Ltd.<sup>7</sup> Because the withdrawal requests were timely-filed, and no other party requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding
