Abstract: Consistent with the Financial Assistance for Supportive Services Act (38 U.S.C. 2044), the purpose of the Supportive Services for Veteran Families (SSVF) Program is to provide supportive services grants to private non-profit organizations and consumer cooperatives who will coordinate or provide supportive services to very low-income veteran families who are residing in permanent housing, are homeless and scheduled to

become residents of permanent housing within a specified time period, or after exiting permanent housing, are seeking other housing that is responsive to such very low-income veteran family needs and preferences. The following VA forms are included in this collection: 1. Application for Supportive Services Grants, VA Form 10-10072; 2. Participant Satisfaction Survey, VA Form 10-10072a; 3.
