Title: 7 CFR 1901—Common Forms Package for Civil Rights Forms.

OMB Number: 0575-0201.

Type of Request: Extension of a Previously Approved Information Collection.

Abstract: The information collection under OMB Number 0575-0201 enables the Agencies to effectively monitor a recipient's compliance with the civil rights laws, and to determine whether or not service and benefits are being provided to beneficiaries on an equal opportunity basis. The Agencies are required to provide Federal financial assistance through its housing and community and business programs on an equal opportunity basis. The laws implemented in 7 CFR part 1901, subpart E, require the recipients of RD Federal financial assistance to collect various types of information, including information on participants in certain of these agencies' programs, by race, color, and national origin. The information collected and maintained by the recipients of certain programs in RD are used internally by the agency for monitoring compliance with the civil rights laws and regulations. This information is made available to USDA officials, officials of other Federal agencies, and to Congress for reporting purposes. Without the required information, RD and its recipients will lack the necessary documentation to demonstrate that their programs are being administered in a nondiscriminatory manner, and in full compliance with the civil rights laws. In addition, the Agency and their recipients would be vulnerable in lawsuits alleging discrimination in the affected programs of these agencies, and would be without appropriate data and documentation to defend themselves by demonstrating that services and benefits are being provided to beneficiaries on an equal opportunity basis.

Estimate of Burden: The Agencies are requesting approval for one respondent and a one-hour place holder for each of

the three forms covered. The burden for each of the forms will be accounted for within the individual Rural Development program collection packages using the form(s).

Respondents: Recipients of RD Federal financial assistance, loan, and loan guarantee programs.

Estimated Number of Respondents: 1.
Estimated Number of Responses per Respondent per Form (Form 400-1, 400-4, and 400-6) in the Package: 1.

Copies of this information collection can be obtained from Pamela Bennett, Innovation Center—Regulations Management Division, at Email: pamela.bennett@usda.gov.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Administrator, Rural Housing Service, USDA Rural Development.

Certain Tungsten Shot From the People's Republic of China: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable November 15, 2024.

FOR FURTHER INFORMATION CONTACT: Caroline Carroll, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4948.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2024, the U.S. Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation on imports of certain tungsten shot (tungsten shot) from the People's Republic of China (China).¹ Currently, the Commerce is due to issue the preliminary determination in this investigation no later than December 24, 2024.

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On November 6, 2024, the petitioner² submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation.³ The petitioner stated that it requests postponement to allow Commerce adequate time to conduct a thorough analysis in this investigation and collect the necessary information for determining the most accurate possible antidumping duty margins.⁴

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its
