Final Approval Under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection

Collection title: Treasury Securities and Agency Debt and Mortgage-Backed Securities Reporting Requirements.

Collection identifier: FR 2956.

OMB control number: 7100-0383.

General description of collection: The FR 2956 collects detailed data on depository institutions' daily transactions trading of marketable U.S. Treasury securities and transactions trading of the debt and mortgage-backed securities (MBS) issued by U.S. federal government agencies including government-sponsored enterprises (agencies). The 2956 has two parts: Part 1 collects data on transactions in U.S. Treasury debt, and Part 2 collects transactions in debt and MBS issued by agencies. Every national bank, state member bank, state non-member bank, savings association, or U.S. branch and agency of a foreign bank filing a Notice by Financial Institutions of Government Securities Broker or Government Securities Dealer Activities (Form G-FIN; OMB No. 7100-0224) with average daily transaction volumes of over \$100 million, for U.S. Treasury debt, or over \$50 million, for agency-issued debt and MBS, during the prior fiscal year is subject to the these reporting requirements. Depository institutions subject to the reporting requirements of the FR 2956 electronically report transactions through the Board's data collection vendor, the Financial Industry Regulatory Authority (FINRA), utilizing its Trade Reporting and Compliance Engine (TRACE). Broker-dealers that are members of FINRA

report transactions pursuant to the FINRA rules, and not the FR 2956. The Board receives data on transactions executed by FINRA's broker-dealer members from FINRA, but the depository institutions subject to the FR 2956 are not members of FINRA and are not subject to its rules.

Frequency: Daily, event-generated.

Respondents: Depository institutions that meet the above reporting thresholds. Prime brokers or depository institutions who file Form G-FIN and are FINRA members acting as an executing broker and that therefore already are subject to TRACE reporting pursuant to FINRA rules are exempt from this reporting requirement.

Total estimated number of respondents: 22.

Total estimated change in burden: (11,000).

Total estimated annual burden hours: 22,000.

Current actions: On July 1, 2024, the Board published a notice in the **Federal Register** (89 FR 54462) requesting public comment for 60 days on the extension, with revision, of the FR 2956. The Board proposed to revise Part 1 of the FR 2956 report, which pertains to the reporting of transactions in U.S. Treasury securities, by updating (i) the timeframe within which a depository institution subject to the reporting requirements of Part 1 of the FR 2956 must report transactions in U.S. Treasury securities, and (ii) for transactions executed electronically, the minimum increment of time that must be used for reporting the execution times. The Board also proposed certain technical and clarifying revisions to Part 2 of the FR 2956 report, intended to make the definitions clearer and to correct an error. The comment period for this notice expired on August 30, 2024. The Board did not receive any comments. The revisions will be implemented as proposed.

SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportingforms/home/review> or may be requested from the agency clearance officer, whose name appears above. On the page displayed at the link above, you can find the supporting information by referencing the collection identifier, FR 2082. Final versions of these documents will be made available at <https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Registration of a Securities Holding Company.

Collection identifier: FR 2082.

OMB control number: 7100-0347.

General description of collection: The FR 2082 registration form is used whenever a securities holding company (SHC) elects to register to become subject to supervision by the Board pursuant to section 618 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act). The FR 2082 requests the following from the registering SHC: an organization chart (including all subsidiaries); information regarding certain of the SHC's subsidiaries; shareholder reports and financial statements; information regarding the SHC's shareholders, senior officers and directors; information regarding the methods used by the SHC to monitor and control its operations; information regarding the SHC's foreign subsidiaries that are subject to comprehensive consolidated supervision and the regulatory system in which these foreign subsidiaries operate; and information regarding any other regulatory capital framework to which the SHC is subject. The information collected by the FR 2082 registration form is used by the Federal Reserve System to determine whether the registrant meets the requirements to become a supervised SHC and to complete the registration.

Frequency: Event-generated.

Respondents: Certain nonbank companies that own at least one registered securities broker or dealer and elect to become a supervised SHC.

Total estimated number of respondents: 1.

Total estimated annual burden hours: 8.
