(the Line). The Line traverses U.S. Postal Service Zip Codes 46221 and 46251.

CSXT has certified that: (1) no local rail traffic has moved over the Line during the past two years; (2) any overhead traffic on the Line can be and has been rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government on behalf of such user) regarding cessation of service over the Line is pending with either the Surface Transportation Board (Board) or any U.S. District Court or has been decided in favor of a complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(b) and 1105.8(c) (notice of environmental and historic reports), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to government agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

¹ The verified notice was initially filed on October 28, 2024. On October 29, 2024, CSXT filed a supplement to correct a typo regarding the mileage in Exhibit A. Accordingly, the verified notice of exemption will be deemed to have been filed on October 29, 2024.

²³ 15 U.S.C. 78s(b)(2)(B).

²⁴ 17 CFR 200.30-3(a)(12).

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received,² this exemption will be effective on December 18, 2024, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues³ must be filed by November 27, 2024. Formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2) and interim trail use/rail banking requests under 49 CFR 1152.29 must be filed by November 29, 2024.⁴ Petitions to reopen and requests for public use conditions under 49 CFR 1152.28 must be filed by December 9, 2024.

All pleadings, referring to Docket No. AB 55 (Sub-No. 818X), must be filed with the Surface Transportation Board either via e-filing on the Board’s website or in writing addressed to 395 E Street SW, Washington, DC 20423–0001. In addition, a copy of each pleading must be served on CSXT’s representative, Louis E. Gitomer, Law Offices of Louis E. Gitomer, LLC, 600 Baltimore Avenue, Suite 301, Towson, MD 21204.

If the verified notice contains false or misleading information, the exemption is void ab initio.

CSXT has filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment on the environment and historic resources. OEA will issue a Draft Environmental Assessment (Draft EA) by November 22, 2024. The Draft EA will be available to interested persons on the Board’s website, by writing to OEA, or by calling OEA at (202) 245–0294. If you require an accommodation under the Americans with Disabilities Act, please call (202) 245–0245. Comments on environmental

or historic preservation matters must be filed within 15 days after the Draft EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), CSXT shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by CSXT’s filing of a notice of consummation by November 18, 2025, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
