The scope includes all such folders, regardless of color, whether or not expanding, whether or not laminated, and with or without tabs, fasteners, closures, hooks, rods, hangers, pockets, gussets, or internal dividers. The term “primarily” as used in the first sentence of this scope means 50 percent or more of the total product weight, exclusive of the weight of fasteners, closures, hooks, rods, hangers, removable tabs, and similar accessories, and exclusive of the weight of the packaging.

Subject folders have the following dimensions in their folded and closed position: lengths and widths of at least 8 inches and no greater than 17 inches, regardless of depth.

The scope covers all varieties of folders, including but not limited to manila folders, hanging folders, fastener folders, classification folders, expanding folders, pockets, jackets, and wallets.

Excluded from the scope are:

- mailing envelopes with a flap bearing one or more adhesive strips that can be used permanently to seal the entire length of a side such that, when sealed, the folder is closed on all four sides;
- binders, with two or more rings to hold documents in place, made of paperboard or pressboard encased entirely in plastic;
- binders consisting of a front cover, back cover, and spine, with or without a flap; to be excluded, a mechanism with two or more metal rings must be included on or adjacent to the interior spine;
- non-expanding folders with a depth exceeding 2.5 inches and that are closed or closeable on the top, bottom, and all four sides (e.g., boxes or cartons);
- expanding folders that have: (1) 13 or more pockets; (2) a flap covering the top; (3) a latching mechanism made of plastic and/or metal to close the flap; and (4) an affixed plastic or metal carry handle;
- folders that have an outer surface (other than the gusset, handles, and/or closing mechanisms, if any) that is covered entirely with fabric, leather, and/or faux leather;
- fashion folders, which are defined as folders with all of the following characteristics: (1) plastic lamination covering the entire exterior of the folder; (2) printing, foil stamping, embossing (i.e., raised relief patterns that are recessed on the opposite side), and/or debossing (i.e., recessed relief patterns that are raised on the opposite side), covering the entire exterior surface area of the folder; (3) at least two visible and printed or foil stamped colors (other than the color of the base paper), each of which separately covers no less than 10 percent of the entire exterior surface area; and (4) patterns, pictures, designs, or artwork covering no less than thirty percent of the exterior surface area of the folder;
- portfolios, which are folders having: (1) a width of at least 16 inches when open flat; (2) no tabs or dividers; and (3) one or more pockets that are suitable for holding letter size documents and that cover at least 15 percent of the surface area of the relevant interior side or sides; and

- report covers, which are folders having: (1) no tabs, dividers, or pockets; and (2) one or more fasteners or clips, each of which is permanently affixed to the center fold, to hold papers securely in place.

Imports of the subject merchandise are provided for under Harmonized Tariff Schedule of the United States (HTSUS) category 4820.30.0040. Subject imports may also enter under other HTSUS classifications. While the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this investigation is dispositive.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that PT Ecos Jaya Indonesia and PT Grantec Jaya Indonesia (collectively, Ecos/Grantec) and one non-individually examined company made sales of subject merchandise in the United States at prices below normal value (NV) during the period of review (POR), May 1, 2022, through April 30, 2023. Additionally, Commerce determines that PT. Zinus Global Indonesia (Zinus Indonesia) did not make sales of mattresses from Indonesia at prices below NV during the POR. Moreover, we are rescinding this review with respect to one company that withdrew its request for review and 29 companies that had no reviewable entries during the POR.

DATES: Applicable November 19, 2024.

SUPPLEMENTARY INFORMATION:

Background

On June 3, 2024, Commerce published the *Preliminary Results* of this administrative review and invited

interested parties to comment.¹ On July 23, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.² On October 2, 2024, Commerce extended the deadline for the final results of this administrative review until November 12, 2024.³ For a summary of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.⁴ Commerce conducted this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order⁵

The merchandise covered by this *Order* is mattresses from Indonesia. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

Analysis of Comments Received

We addressed all issues raised in the case and rebuttal briefs filed in this administrative review in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is included in appendix I. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on an analysis of the comments received, we made one change to the margin calculation in the *Preliminary Results* for Ecos/Grantec.⁶

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties who requested a review withdraw their requests within 90 days of the date that the notice of initiation of the requested review was published in the **Federal Register**. In the *Preliminary Results*, we intended to rescind this review with respect to PT Champion Mattress Indonesia Manufacturing (PTC) because PTC had timely withdrawn its request for review and no other interested party requested a review of this company. However, because we inadvertently did not rescind this review with respect to PTC in the *Preliminary Results*, we issued an intent-to-rescind memorandum and provided interested parties with the opportunity to comment on this matter.⁷

Because PTC timely withdrew its request for review of itself and no other parties requested a review of PTC, Commerce is rescinding this administrative review with respect to PTC.

Pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR subject to the antidumping duty order for which liquidation is suspended, Commerce may also rescind an administrative review, in whole or only with respect to a particular exporter or producer.⁸ At the end of the administrative review, any suspended entries are liquidated at the assessment rate computed for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate. On October 3, 2024, Commerce informed interested parties that it intended to rescind this review with respect to 29 companies because those companies had no reviewable, suspended entries of subject merchandise and invited parties to comment.¹⁰ We received no comments on our preliminary rescission of the review with respect to these companies. Accordingly, in the absence of suspended entries of subject merchandise during the POR for these

29 companies for which this review was initiated, we are hereby rescinding this administrative review, in part, with respect to these companies, in accordance with 19 CFR 351.213(d)(3).¹¹

Rate for Non-Examined Respondent

The statute and Commerce’s regulations do not address the establishment of a weighted-average dumping margin to be determined for companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when determining the weighted-average dumping margin for companies which were not selected for individual examination in an administrative review.

Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.” We calculated a dumping margin for Ecos/Grantec that is not zero, *de minimis*, or determined entirely on the basis of facts available. Accordingly, we assigned a margin of 30.32 percent based on Ecos/Grantec’s calculated weighted-average dumping margin to the non-selected respondent, PT Graha Seribusatujaya.

Final Results of Review

We determine that the following weighted-average dumping margins exist for the POR:

Exporter or producer	Weighted-average dumping margin (percent)
PT Ecos Jaya Indonesia/PT Grantec Jaya Indonesia ¹²	30.32
PT. Zinus Global Indonesia	0.00
PT Graha Seribusatujaya	30.32

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results

of this review and for future deposits of estimated duties, where applicable.¹³

Disclosure

We intend to disclose the calculations performed for these final results of review to interested parties within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Pursuant to 19 CFR 351.212(b)(1), where the respondent Ecos/Grantec reported the entered value for their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of those sales. Where Ecos/Grantec did not report entered value, we calculated an importer-specific, per-unit assessment rate based on the ratio of the total amount of dumping calculated for the importer’s examined sales to the total quantity of those sales. For Zinus Indonesia, whose weighted-average dumping margin is zero, and for any importers whose importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹⁴

Commerce’s “automatic assessment” practice will apply to entries of subject merchandise during the POR produced by Ecos/Grantec or Zinus Indonesia for which the reviewed companies did not know that the merchandise they sold to the intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we

will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁵

For the company that was not selected for individual review, we assigned an assessment rate calculated as noted in the “Rate for Non-Examined Respondent” section, above.

For the companies for which this review is rescinded with these final results (*see* appendix II), we will instruct CBP to assess antidumping duties on any suspended entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rates for the reviewed companies will be equal to the weighted-average dumping margin established in the final results of this review; (2) for producers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the most recently completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, then the cash deposit rate will be the rate established in the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 2.22 percent, the all-others rate established in the LTFV investigation in this proceeding.¹⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries

during this POR. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results of administrative review in accordance with sections 751(a) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: November 12, 2024.
