DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for Office of Management and Budget Review; Child Care and Development Fund Plan for Tribes for Fiscal Year 2026–2028 (ACF–118A) (Office of Management and Budget #0970–0198)

AGENCY: Office of Child Care, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) Office of Child Care (OCC) is requesting a 3-year extension of the form ACF–118A: Child Care and Development Fund for Tribes (Office of Management and Budget (OMB) #0970–0198, expiration April 30, 2025) for Federal Fiscal Year (FFY) 2026–2028. There are changes proposed to the form to improve formatting, streamline questions, and reduce burden.

DATES: Comments due December 19, 2024. OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The Child Care and Development Fund (CCDF) Plan (the Plan) for Tribes is required from each CCDF Lead Agency in accordance with section 658E of the Child Care and Development Block Grant Act of 1990 (CCDBG Act), as amended, CCDBG Act of 2014 (Pub. L. 113–186), and 42 U.S.C 9858. The majority of the Plan in this request is for Tribal Lead Agencies that receive their funding directly from ACF, and does not apply to Tribes that consolidate their funding into approved 102–477 plans. However, all Tribes receiving CCDF funding must complete the triennial child count, which is part of the Plan. The Plan, submitted in the Child Care Automated Reporting System, is required triennially, and remains in effect for 3 years. The Plan provides ACF and the public with a description of, and assurance about the Tribes’ child care programs. These Plans are the applications for CCDF funds.

OCC made the following changes based on feedback from Tribes, including several listening sessions conducted over the past year:

- Reduced the burden overall by streamlining and removing questions;
- Revised questions based on the two 2024 CCDF final rules;
- Clarified requirements based on CCDBG Act and regulations;
- Improved skip patterns to reduce burden; and
- Edited the document for plain language.

Respondents: Tribal CCDF Lead Agencies.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for Office of Management and Budget Review; Fiscal Responsibility Act—Temporary Assistance for Needy Families Work Outcomes Measures (New Collection)

AGENCY: Office of Family Assistance, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) is proposing to collect data for new Temporary Assistance for Needy Families (TANF) work outcomes measures required by the Fiscal Responsibility Act (FRA) of 2023. Information collections include the Work Outcomes of TANF Exitters Report, Secondary School Diploma or its Recognized Equivalent Rate, and the Supplemental Work Outcomes Report.

DATES: Comments due December 19, 2024. *The Office of Management and Budget (OMB)* must decide about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: This is a proposed new collection in response to the requirements of section 304 of the FRA, which requires states and territories to report data necessary to produce work outcome measures for work-eligible individuals who leave TANF. This collection was established in the interim final rule TANF Work Outcomes Measures, effective October 1, 2024. This collection includes three new forms: Work Outcomes of TANF Exitters

Report, Secondary School Diploma or its Recognized Equivalent Rate, and Supplemental Work Outcomes Report.

The data and information from these reports will be used for program analysis and oversight, including the calculation of the indicators of performance required by the FRA: Employment Rate—2nd Quarter After Exit, Employment Retention Rate—4th Quarter After Exit, Median Earnings—2nd Quarter After Exit, and Secondary School Diploma or its Recognized Equivalent Attainment Rate.

For the Work Outcomes of TANF Exitters Report, states will be required to submit Social Security Numbers of all work-eligible individuals who exit TANF in each quarter on a quarterly basis.

For the Secondary School Diploma Attainment Rate, states will be asked to submit their calculated rate following the definitions and formula set by ACF. The report must include documentation of methodology and data sources.

The Supplemental Work Outcomes Report will be submitted annually by interested states. The report will include documentation of data sources and methodology to assess validity and support ongoing learning and identification of best practices.

Respondents: The 50 States of the U.S., the District of Columbia, Guam, Puerto Rico, and the Virgin Islands.
