DEPARTMENT OF LABOR

Employee Benefits Security Administration

[Exemption Application No. L–12066]

Proposed Exemption from Certain Prohibited Transaction Restrictions Involving Meta Platforms, Inc. Located in Menlo Park, CA

AGENCY: Employee Benefits Security Administration, Labor.

ACTION: Notice of proposed exemption.

SUMMARY: This document provides notice of the pendency before the Department of Labor (the Department) of a proposed individual exemption from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (ERISA or the Act). If the proposed exemption is granted, the Meta Platforms Inc. Health and Welfare Benefit Plan (the Plan) would enter into an insurance contract with Prudential Life Insurance Company of America (Prudential). The contract would cover the Plan’s group

term life insurance benefits, accidental death and dismemberment benefits, and survivor income benefits (the Covered Insurance). Prudential would then reinsure the Covered Insurance by entering into a reinsurance contract with Ekahi Insurance Company, LLC (Ekahi), an insurance company that is owned by Meta Platforms, Inc. (Meta). Importantly, at all times and in all events, Prudential would remain fully and completely responsible to the Plan with respect to the Covered Insurance, regardless of whether Ekahi met its obligations to Prudential.

DATES: *Applicability date:* If granted, this proposed exemption will be in effect for the period beginning on the date of publication in the **Federal Register**.

Comments due: Written comments and requests for a public hearing on the proposed exemption should be submitted to the Department by January 21, 2025.

ADDRESSES: All written comments and requests for a hearing should be sent to the Employee Benefits Security Administration (EBSA), Office of Exemption Determinations, Attention: Application No. L–12066, via email to e-OED@dol.gov or online through <https://www.regulations.gov>. 1. Persons are encouraged to submit all comments electronically and not to follow with paper copies. Comments should state the nature of the person’s interest in the proposed exemption and the manner in which the person would be adversely affected by the exemption, if granted. The Department may decline to hold a hearing if: (1) the request for the hearing does not meet the requirements above; (2) the only issues identified for exploration at the hearing are matters of law; or (3) the factual issues identified can be fully explored through the submission of evidence in written (including electronic) form.
