

continue collecting this information (i.e., enabling individuals with a need to know but who are not CVI Authorized Users to access historical government records safeguarded as CVI) as well as existing statutory authority to do so under 6 U.S.C. 652(e)(1)(J). Once CFATS is reauthorized, the training and application to become a CVI Authorized User will be made accessible to the public.

The current information collection for the CVI program (IC 1670–0015) will expire on November 30, 2024.

CISA proposes three revisions from the previously approved collection. Specifically, to renew the information collection for an additional three years, increase the loaded average hourly wage rate of respondents from \$79.75 to \$101.87 based on updated BLS wage and compensation data, and to cite 6 U.S.C. 652(e)(1)(J) as its statutory authority rather than 6 U.S.C. 623.

This process is conducted in accordance with 5 CFR 1320.8.

CISA’s Methodology in Estimating the Burden for the Chemical-Terrorism Vulnerability Information Authorization

Number of Respondents

The current information collection estimated that 20,000 respondents submit a request to become a CVI Authorized User Number annually. The table below provides the number of respondents over the past three years (i.e., Calendar Year (CY) 2020 through CY 2022).

	CY 2020	CY 2021	CY 2022
Number of Respondents	11,444	12,931	14,252

Due to past fluctuations and uncertainty regarding the number of future respondents, CISA believes that 20,000 continues to be a reasonable estimate when CFATS is reauthorized. Therefore, CISA proposes to retain the estimated annual number of respondents.

Estimated Time per Respondent

In the current information collection, the estimated time per respondent to prepare and submit a CVI Authorization is 0.50 hours (30 minutes). CISA proposes to retain the estimated time per respondent.

Annual Burden Hours

The annual burden hours for the CVI Authorization is [0.50 hours × 20,000 respondents × 1 response per respondent], which equals 10,000 hours.

Total Capital/Startup Burden Cost

Prior to the expiration of CFATS’ statutory authorization, the instrument through which the information was collected electronically was a web interface incorporated into CISA’s Chemical Security Assessment Tool (CSAT). Since the lapse, and until reauthorization, the instrument is a PDF form sent via email to respondents. The PDF form is filled out by respondents and returned to CISA via email. When the CFATS program is reauthorized, a web-enabled interface will be made accessible to the public. Thus, for the purposes of this notice, CISA continues to assume there is no annualized capital or start-up costs incurred by respondents for this information collection.

Total Recordkeeping Burden

There are no recordkeeping burden costs incurred by respondents for this information collection.

Total Annual Burden Cost

CISA assumes that respondents are generally Site Security Officers (SSOs), although other types of respondents may also complete this instrument (e.g., State, and local government employees and contractors). For the purpose of this notice, CISA maintains this assumption. To estimate the total annual burden, CISA multiplied the annual burden of 10,000 hours by the loaded average hourly wage rate of SSOs of \$101.87 per hour.⁶ Therefore, the total annual burden cost for the CVI Authorization instrument is \$1,018,700 [10,000 total annual burden hours × \$101.87 per hour].

Analysis

Agency: Department of Homeland Security, Cybersecurity and Infrastructure Agency, Infrastructure Security Division.

Title: CFATS Chemical-terrorism Vulnerability Information.

OMB Number: 1670–0015.

Instrument: Chemical-terrorism Vulnerability Information Training and Authorized User Application.

Frequency: “On occasion” and “Other”.

Affected Public: Business or other for-profit.

Number of Respondents: 20,000 respondents (rounded estimate).

Estimated Time per Respondent: 0.50 hours.

Total Burden Hours: 10,000 annual burden hours.

Total Burden Cost (capital/startup): \$0.

⁶ The wage used for an SSO equals that of Managers, All (11–9199), with a load factor of 1.4481 to account for benefits in addition to wages <https://www.bls.gov/oes/2023/may/oes119199.htm>. The load factor is estimated by dividing total compensation by total wages and salaries for the Management, Professional and Related series (\$72/\$49.72), which can be found at <https://www.bls.gov/news.release/ecec.t04.htm>.

Total Recordkeeping Burden: \$0.
Total Burden Cost: \$1,001,275.

Robert J. Costello,

Chief Information Officer, Department of Homeland Security, Cybersecurity and Infrastructure Security Agency.

BILLING CODE 9111-LF-P

DEPARTMENT OF HOMELAND SECURITY

[Docket No. CISA–2024–0005]

Notice of President’s National Infrastructure Advisory Council Meeting

AGENCY: Cybersecurity and Infrastructure Security Agency (CISA), Department of Homeland Security (DHS).

ACTION: Notice of partial closure Federal Advisory Committee Act (FACA) meeting; request for comments.

SUMMARY: CISA is publishing this notice to announce the following President’s National Infrastructure Advisory Council (NIAC) meeting.

DATES:

Meeting Registration: Registration is required to attend the meeting and must be received no later than 5 p.m. eastern standard time (EST) on December 6, 2024. For more information on how to participate, please contact NIAC@mail.cisa.dhs.gov.

Speaker Registration: Registration to speak during the meeting’s public comment period must be received no later than 5 p.m. EST on December 6, 2024.

Written Comments: Written comments must be received no later than 5 p.m. EST on December 6, 2024.

Meeting Date: The NIAC will meet on December 11, 2024, from 1 p.m. to 5:15

p.m. EST. The meeting may close early if the council has completed its business.

ADDRESSES: The National Infrastructure Advisory Council's open session will be held in person at 1650 17th St. NW, Washington, DC; however, members of the public may participate virtually, only. Requests to participate will be accepted and processed in the order in which they are received. For virtual access to the meeting, information on services for individuals with disabilities, or to request special assistance, please email NIAC@mail.cisa.dhs.gov by 5:00 p.m. EST on December 6, 2024. The NIAC is committed to ensuring all participants have equal access regardless of disability status. If you require a reasonable accommodation due to a disability to fully participate, please contact Jonathan Dunn at NIAC@mail.cisa.dhs.gov as soon as possible.

Comments: The council will consider public comments on issues as listed in the **SUPPLEMENTARY INFORMATION** section below. Associated materials for potential discussions during the meeting will be available for review at <https://www.cisa.gov/niac> by December 4, 2024. Comments should be submitted by 5 p.m. EST on December 6, 2024, and must be identified by Docket Number CISA-2024-0005. Comments may be submitted by one of the following methods:

- **Federal eRulemaking Portal:** www.regulations.gov. Please follow the instructions for submitting written comments.
- **Email:** NIAC@mail.cisa.dhs.gov. Include the Docket Number CISA-2024-0005 in the subject line of the email.

Instructions: All submissions received must include the words "Department of Homeland Security" and the Docket Number for this action. Comments received will be posted without alteration to www.regulations.gov, including any personal information provided. You may wish to read the Privacy & Security Notice which is available via a link on the homepage of www.regulations.gov.

Docket: For access to the docket and comments received by the National Infrastructure Advisory Council, please go to www.regulations.gov and enter docket number CISA-2024-0005.

A public comment period will take place from 3:35 p.m. to 3:45 p.m. EST. Speakers who wish to participate in the public comment period must email NIAC@mail.cisa.dhs.gov to register. Speakers should limit their comments to 3 minutes and will speak in order of registration. Please note that the public

comment period may end before the time indicated, depending on the number of speakers who register to participate.

FOR FURTHER INFORMATION CONTACT: Jonathan Dunn, 202-731-1020, NIAC@mail.cisa.dhs.gov.

SUPPLEMENTARY INFORMATION: The NIAC is established under section 10 of E.O. 13231 issued on October 16, 2001, as amended and continued under the authority of E.O. 14109, dated September 29, 2023. Notice of this meeting is given under 10(a) of the Federal Advisory Committee Act (FACA), Public Law 92-463 (5 U.S.C. ch. 10). The NIAC provides the President, through the Secretary of Homeland Security, advice on the security and resilience of the Nation's critical infrastructure sectors.

This meeting will be partially closed to the public, with the closure time of the meeting yet to be determined. Members of the public who register to participate virtually will be informed what portion of the meeting will be closed.

Agenda: The National Infrastructure Advisory Council will meet on Wednesday, December 11, 2024, from 1 p.m. to 5:15 p.m. EST to discuss NIAC activities. The open session will include: (1) public comment period; (2) presentation, deliberation and vote on the Disaster Response and Resiliency Report; (3) presentation, deliberation and vote on the Promoting Infrastructural Health Report; (4) presentation, deliberation and vote on the Expanding Workforce Report.

In the closed session, the meeting time has yet to be determined, senior White House officials will discuss priorities and potential threats concerning the nation's critical Infrastructure. The premature disclosure of this information could frustrate the successful implementation of protective measures designed to keep our country safe. Therefore, this portion of the meeting is required to be closed pursuant to section 10(d) of FACA and the Government in the Sunshine Act, 5 U.S.C. 552b(c)(1).

Dated: November 14, 2024.

Jonathan M. Dunn,
Designated Federal Officer, National Infrastructure Advisory Council, Cybersecurity and Infrastructure Security Agency, Department of Homeland Security.
