

determined to find that the conditions set forth in section 337(g)(1)(A)–(E) (19 U.S.C. 1337(g)(1)(A)–(E)) have been satisfied, and section 337(g)(1) directs the Commission, upon request, to issue a CDO against a respondent found in default, based on the allegations regarding a violation of the GEO in the complaint, which are presumed to be true, unless after consideration of the public interest factors in section 337(g)(1), it finds that such relief should not issue. The Commission has further determined that the appropriate remedy in this investigation is to issue a CDO against each Enforcement Respondent. The Commission has also determined that the public interest factors enumerated in subsection 337(g)(1) do not preclude the issuance of the CDOs. The Commission has further determined that the bond during the period of Presidential review pursuant to section 337(j) (19 U.S.C. 1337(j)) shall be in the amount of one hundred percent (100%) of the entered value of the infringing articles. The investigation is terminated.

The Commission's vote on this determination took place on November 18, 2024.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: November 18, 2024.

ACTION: Notice of public feedback period.

SUMMARY: The Office of Management and Budget (OMB) is seeking public feedback on a draft memorandum titled *Broadening Public Participation and Community Engagement with the Federal Government*. As drafted, the memorandum would provide Federal agencies with common definitions and

guiding principles for public participation and community engagement, a sample framework to help decide when and how to involve the public in decision-making processes, and steps to help advance effective and meaningful public engagement.

Additionally, OMB is preparing the first iteration of a U.S. Federal Public Participation and Community Engagement Toolkit to help Federal agencies better plan, implement, and assess the impact of participation and engagement. OMB also requests feedback on the draft outline of this toolkit.

The full text of the draft memorandum and the full draft outline of the toolkit are available for review at www.performance.gov/participation.

DATES: Feedback must be provided on or before November 29, 2024.

ADDRESSES: In an effort to improve accessibility, OMB is offering multiple options to provide feedback.

Written Feedback: Responses can be submitted through a simple, open-ended form at www.performance.gov/participation. Instructions for submitting feedback are available on the site.

Listening Sessions: Options to register for live events hosted by OMB to hear from the public are also available at www.performance.gov/participation. ASL interpretation, live captioning, and live audio translation in Spanish and Mandarin Chinese will be provided.

Individuals and organizations who respond to this request may be contacted for clarification, related discussions, events, or surveys.

SUPPLEMENTARY INFORMATION: In developing these draft materials, OMB considered feedback received from the public and Federal agencies through OMB's Request for Information on Methods and Leading Practices for Advancing Public Participation and Community Engagement With the Federal Government, 89 FR 19,885 (Mar. 20, 2024), available at www.federalregister.gov/d/2024-05882, and related listening sessions.

The proposed memorandum on participation and engagement would complement guidance from OMB's Office of Information and Regulatory Affairs on *Broadening Public Participation and Community Engagement in the Regulatory Process* (July 10, 2023), available at www.whitehouse.gov/wp-content/uploads/2023/07/Broadening-Public-Participation-and-Community-Engagement-in-the-Regulatory-Process.pdf, which focuses on how agencies can better engage the public when developing regulations.

The toolkit would centralize materials to help agencies engage the American people, including individuals from underserved communities, in ways that better meet agency and community needs and priorities. The toolkit would also build on prior Federal efforts, such as the *U.S. Public Participation Playbook* (Feb. 3, 2015), available at digital.gov/guides/public-participation.
