SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: DoD Mortuary Affairs Forms; DD Form(s) 0565, 3045, 3046, 3047, 3048, 3049, 3050, 3116, 3122; OMB Control Number: 0704-0581.

Needs and Uses: The information collection requirement is necessary to

obtain and document information related to deceased personnel and their family members. The information collection documents selections made by family members and others as part of the required mortuary case file. Per 10 United States Code (U.S.C.) 1481, the DoD may provide for the recovery, care, and disposition of the remains for active-duty Regulars, Reserve Component members, applicants, trainees, military prisoners, and others. The DoD is further authorized, per 10 U.S.C. 1482 and 10 U.S.C. 1482a, to provide reimbursement, cover expenses, or otherwise provide mortuary services for decedents, including civilian employees serving with the armed forces. Mortuary affairs personnel must document information on the information collections to ensure proper care, transportation, escort, honors, and disposition of remains, as applicable. Depending on the circumstances, a Person Authorized to Direct Disposition (PADD) or person authorized to effect disposition may be asked to complete up to six forms. All PADDs will complete the DD Form 3045 but may additionally be asked to provide information on the DD Forms 3046, 3047, 3048, 3049, and/or 3050.

The DD Form 565 is a form to assist mortuary personnel with the identification of the remains of deceased personnel, family members, civilians, or other personnel that may be in the care of the DoD. Identification of deceased persons is a critical step in providing proper disposition of the remains. Information collected includes information on the respondent and a witness.

The DD Form 3116 is a report filed with Service casualty and mortuary affairs offices with information regarding the transportation of human remains of deceased active-duty personnel to their place of interment. The escort also reports on the condition of remains, casket and any incident during transportation to assist the Service casualty and mortuary affairs offices in their support of the person authorized to direct disposition of the remains. The report also informs the Service casualty and mortuary affairs offices of any issue needed to be resolved with the receiving funeral home.

The DD Form 3122 is an official request for military funeral honors at the funeral or memorial of an eligible deceased veteran. A request for military funeral honors for an eligible veteran must be supported by law. The form will be sent to military funeral honors coordinators for their review, analysis for eligibility, scheduling, and to

capture costs to provide the required military funeral honors elements. The form contains contact information for the next-of-kin requesting military funeral honors.
