SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-101665; File No. SR-NYSE-2024-75]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 7.37

November 20, 2024.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”),² and Rule 19b-4 thereunder,³ notice is hereby given that on November 7, 2024, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.37 to specify the Exchange’s source of data feeds from Long-Term Stock Exchange, Inc. (“LTSE”) for purposes of order handling, order execution, order routing, and regulatory compliance. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

⁶ 17 CFR 200.30-3(a)(31).

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update and amend the use of data feeds table in Rule 7.37(e), which sets forth on a market-by-market basis the specific securities information processor ("SIP") and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks related to each of those functions. Specifically, the Exchange proposes to amend the table in Rule 7.37(e) to specify that, with respect to LTSE, the Exchange will receive a LTSE direct feed as its primary source of data for order handling, order execution, order routing, and regulatory compliance, and will use the SIP Data Feed as its secondary source for data from LTSE.

The Exchange proposes to make this change operative in the fourth quarter of 2024, and, in any event, before the end of the first quarter of 2025. The Exchange proposes to announce the implementation date of this change by Trader Update.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5),⁵ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. Additionally, the Exchange believes that the proposed rule change is consistent with the Section 6(b)(5) requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes its proposal to update the table in Rule 7.37(e) to include the LTSE direct feed will ensure that the Rule correctly identifies and publicly states on a market-by-market basis all of the specific SIP and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks for each

of those functions. The proposed rule change also removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest by providing additional specificity, clarity, and transparency in the Exchange's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the Exchange believes that the proposal will enhance competition because providing the public and market participants with up-to-date information about the data feeds the Exchange will use for the handling, execution, and routing of orders, as well as for regulatory compliance would enhance transparency and enable investors to better assess the quality of the Exchange's execution and routing services. The Exchange also believes the proposal would enhance competition because it would potentially enhance the performance of its order handling and execution of orders in equity securities by receiving market data directly from LTSE. Finally, the proposed rule change would not impact competition between market participants because it will affect all market participants equally.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)

of the Act⁸ and Rule 19b-4(f)(6)(iii) thereunder.⁹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-101670; File No. SR-NYSE-2024-76]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rules 3170, 9120, 9522, 9523, and 9524

November 20, 2024.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on November 12, 2024, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend certain rules to replace "Department of

Member Regulation" and "Member Regulation" with "Exchange" and make related changes. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend certain rules to replace "Department of Member Regulation" and "Member Regulation" with "Exchange" and make related changes. Specifically, the Exchange would amend Rule 3170 (Tape Recording of Registered Persons by Certain Firms) and the following rules from the Rule 9000 Series (Code of Procedure): Rule 9120 (Definitions); Rule 9522 (Initiation of Eligibility Proceeding; Member Regulation Consideration); Rule 9523 (Acceptance of Member Regulation Recommendations and Supervisory Plans by Consent Pursuant to SEA Rule 19h-1); and Rule 9524 (Exchange Board of Directors Consideration).

Background

Rule 3170 governs the tape recording of registered persons by certain firms and requires certain notifications to be made to the Exchange's Department of Member Regulation.

Rule 9120(j) defines "Department of Member Regulation" to mean the Department of Member Regulation of the Financial Industry Regulatory Authority ("FINRA") for purposes of the Exchange's disciplinary rules set forth in the Rule 8000 and Rule 9000 Series.

The Rule 9520 Series governs eligibility proceedings for persons subject to statutory disqualifications.⁴

Rule 9522 governs the initiation of an eligibility proceeding by the Exchange and the member organization's obligation to file an application to initiate an eligibility proceeding if it has been subject to certain disqualifications. Further, the rule provides that Member Regulation could approve a written request for relief from the eligibility requirements under certain circumstances.

Rule 9523 allows Member Regulation to recommend a supervisory plan to which the disqualified member organization, sponsoring member organization, and/or disqualified person, as the case may be, may consent and by doing so, waive the right to hearing or appeal if the plan is accepted and the right to claim bias or prejudice, or prohibited ex parte communications.

Rule 9524 governs requests for review by the Exchange Board of Directors of a decision to reject a supervisory plan under Rule 9523.

Finally, Rule 0 provides, among other things, that Exchange Rules that refer to Exchange staff or Exchange departments should be understood as also referring to FINRA staff and FINRA departments acting on behalf of the Exchange pursuant to the Regulatory Services Agreement ("RSA") in existence between the Exchange and FINRA, as applicable.

Proposed Rule Change

The Exchange proposes to replace all references to "Department of Member Regulation" and "Member Regulation" in Rules 3170, 9522, 9523 and 9524 with "Exchange" or "the Exchange." Consistent with Rule 0, references to the Exchange encompass FINRA staff and departments acting on the Exchange's behalf pursuant to the RSA. The proposed change would simplify the Exchange's rules by eliminating specific references that could change over time, thereby eliminating the need for additional rule changes in the future.⁵

¹ Rule 9520 Series would govern eligibility proceedings for persons subject to statutory disqualifications that are not FINRA members. See Securities Exchange Act Release Nos. 68678 (January 16, 2013), 78 FR 5213, 5230 (January 24, 2013) (SR-NYSE-2013-02) (Notice); 69045 (March 5, 2013), 78 FR 15394, 15399 (March 11, 2013) (SR-NYSE-2013-02) (Order). At the time, there were several member organizations that were not FINRA members. Today, only a single member organization is also not a FINRA member. All FINRA members are subject to the FINRA Rule 9520 Series, which is substantively the same as the Exchange's version. Hence, as a practical matter, all member organizations would be subject to the same Rule 9520 standards.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

⁴ The Exchange's 2013 filing adopting the FINRA disciplinary rules represented that the proposed
