SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection:

1. *Type of Information Collection:* Extension of a currently approved collection.
2. *Title of the Form/Collection:* The National Forensics Laboratory Information System Collection of Analysis Data.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* No form number is associated with this collection. The applicable component within the Department of Justice is the Drug Enforcement Administration, Diversion Control Division.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected public (Primary): Business or other for-profit.

Affected public (Other): Not-for-profit institutions; Federal, State, local, and tribal governments.

Abstract: This collection provides the Drug Enforcement Administration (DEA) with a national database on analyzed drug evidence from non-federal laboratories. Information from this database is combined with the other existing databases to develop more accurate, up-to-date information on abused drugs. This database represents a voluntary, cooperative effort on the part of participating laboratories to provide a centralized source of analyzed drug data.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The DEA estimates that 2,640 registrants participate in this information collection, taking an estimated 0.32003 mins per registrant annually.

The time per response is 8 minutes for Current collection of the continuous, ongoing NFLIS-Drug Program, 10 minutes for Collection of the NFLIS-MEC Program and Collection of the NFLIS-Tox Program, 30 minutes for Survey of the NFLIS-MEC Program, 45 minutes for Collection of the NFLIS-Tox Program and Survey of the NFLIS-Tox Program.

6. *An estimate of the total public burden (in hours) associated with the proposed collection:* DEA estimates that this collection takes 1,860 annual burden hours.

7. An estimate of the total annual cost burden associated with the collection, if applicable: \$0.

BILLING CODE 4410-09-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Stipulation of Settlement and Judgment Under the System Unit Resource Protection Act

On October 17, 2024, the Department of Justice lodged a proposed Stipulation of Settlement and Judgment (“Stipulation”) with the United States District Court for the Eastern District of Washington in the lawsuit entitled *United States v. Avista Corporation*, Civil Action No. 2:24-cv-00358-JAG.

The United States filed this lawsuit under the System Unit Resource Protection Act and Washington State and federal trespass law. The complaint alleges that defendant Avista Corporation’s unauthorized activities to stabilize, move, and replace an unpermitted power pole within the Lake Roosevelt National Recreation Area (the “Park”) in northeastern Washington caused significant injuries to cultural and natural resources at the Park. The complaint seeks recovery of damages and response costs.

Under the Stipulation, Defendant will pay \$900,000 to the U.S. Department of the Interior, National Park Service, for response costs and damages, with interest.

On October 22, 2024, the Department of Justice published a notice in the **Federal Register** opening a public comment period on the Stipulation for

a period of thirty (30) days, through November 21, 2024. Due to a technical error in posting the Stipulation on the Department of Justice’s website, the Stipulation was inadvertently removed from the website on October 23, 2024. The Stipulation was reposted to the Department of Justice’s website on November 18, 2024. By this notice, the Department of Justice is extending the public comment period by an additional thirty (30) days, through December 21, 2024. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Avista Corporation*, D.J. Ref. No. 90-5-1-1-12423. All comments must be submitted no later December 21, 2024. Comments may be submitted either by email or by mail:

To submit comments:	Send them to:
By email	<i>pubcomment-ees.enrd@usdoj.gov.</i>
By mail	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

During the public comment period, the Stipulation may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. If you require assistance accessing the Stipulation, you may request assistance by email or by mail to the addresses provided above for submitting comments.

Kathryn C. Macdonald,

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division.
