AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on steel concrete reinforcing bar (rebar) from the Republic of Türkiye (Türkiye), covering the period January 1, 2023, through December 31, 2023.

DATES: Applicable November 29, 2024.

FOR FURTHER INFORMATION CONTACT: Peter Shaw, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0697.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2024, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on rebar from Türkiye.¹ On July 31, 2024, the Rebar Trade Coalition (the petitioner) timely requested that Commerce conduct an administrative review of Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S (Habas).² We received no other requests for review. On August 12, 2024, we received a no shipment certification from Habas.³ On August 14, 2024, Commerce published in the **Federal Register** a notice of initiation of an administrative review with respect to Habas.⁴ On September 18, 2024, Commerce issued an intent to rescind memorandum notifying interested parties that import data issued by the U.S. Customs and Border Protection (CBP) indicated that Habas did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁵ Accordingly,

in the absence of reviewable, suspended entries of subject merchandise during the POR, Commerce intended to rescind this administrative review with respect to Habas. Commerce provided all parties an opportunity to comment. No parties submitted comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR.⁶ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.⁷ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.⁸ As noted above, CBP confirmed that there were no entries of subject merchandise during the POR with respect to Habas, the only company subject to this review. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Because Commerce is rescinding this review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of

Citric Acid and Certain Citrate Salts From Thailand: Final Results of Antidumping Duty Administrative Review; 2022–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain producers/exporters subject to this administrative review did not make sales of subject merchandise at less than normal value (NV) during the July 1, 2022, through June 30, 2023, period of review (POR).

DATES: Applicable November 29, 2024.

FOR FURTHER INFORMATION CONTACT: Joy Zhang or Anjali Mehindiratta, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1168 or (202) 482–9127, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2024, Commerce published the preliminary results of the 2022–2023 administrative review of the antidumping duty order on citric acid and certain citrate salts (citric acid) from Thailand¹ in the **Federal Register** and invited interested parties to comment.² We received no comments from interested parties on the *Preliminary Results*, and we have made no changes to the *Preliminary Results*. Accordingly, no decision memorandum accompanies this **Federal Register** notice. The *Preliminary Results* are hereby adopted in these final results. Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The products covered by this *Order* include all grades and granulation sizes of citric acid, sodium citrate, and potassium citrate in their unblended forms, whether dry or in solution, and regardless of packaging type. For a full description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rate for Non-Selected Company

The Act and Commerce's regulations do not directly address the establishment of a rate to be applied to individual companies not selected for examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual review in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

In this administrative review, we calculated dumping margins of zero percent for both mandatory respondents: COFCO Biochemical

¹ See *Citric Acid and Certain Citrate Salts from Belgium, Colombia and Thailand: Antidumping Duty Orders*, 83 FR 35214 (July 25, 2018) (*Order*).

² See *Citric Acid and Certain Citrate Salts from Thailand: Preliminary Results of Antidumping Duty Administrative Review; 2022–2023*, 89 FR 62718 (August 1, 2024) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

(Thailand) Co., Ltd. (COFCO) and Sunshine Biotech International Co., Ltd. (Sunshine). Thus, in accordance with the expected method, and consistent with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle*,³ we assign to Xitrical Group Co. LTD., the sole non-selected company under review, a zero percent rate, based on the rates calculated for the two mandatory respondents.

Final Results of Review

We determine that the following weighted-average dumping margins exist for the period July 1, 2022, through June 30, 2023:

Producer/exporter	Weighted-Average dumping margin (percent)
COFCO Biochemical (Thailand) Co., Ltd	0.00
Sunshine Biotech International Co., Ltd	0.00
Xitrical Group Co. LTD	0.00

Disclosure

Normally, Commerce discloses to interested parties the calculations of the final results of an administrative review within five days of a public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we have made no changes to the *Preliminary Results*, there are no calculations to disclose.

Assessment Rates

Consistent with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered this review. Because the respondents' weighted-average dumping margins or importer-specific assessment rates are zero or *de minimis* in the final results of review, we intend to instruct CBP to liquidate entries without regard to antidumping duties.⁴ The final results of this
