

catch of whales. Anyone retrieving a dead whale is also required to report. Captains must place a distinctive permanent identification mark on any harpoon, lance, or explosive dart used, as well as provide information on the mark and self-identification information. The Native American whaling organization receives the reports, compiles them, and submits the information to NOAA. The information is used to monitor the hunt and to ensure that quotas are not exceeded. The information is also provided to the IWC, which uses it to monitor compliance with its requirements.

Affected Public: Individuals or households; State, Local, or Tribal government.

Frequency: Reporting by whaling captains occurs after each strike or landing and is submitted to the Native American whaling organization. The Native American whaling organization may submit interim reports every month and additionally once at the end of each hunting season (Spring and Fall).

Respondent's Obligation: Mandatory.

Legal Authority: Whaling Convention Act (16 U.S.C. 916–9161).

Marine Mammals; File No. 28229

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; receipt of application.

SUMMARY: Notice is hereby given that Humble Bee Films (Responsible Party: Natasha Busjeet), 8 Elmdale Road, Bristol, BS8 1SL, United Kingdom, has applied in due form for a permit to conduct commercial and educational photography on humpback whales (*Megaptera novaeangliae*).

DATES: Written comments must be received on or before December 30, 2024.

ADDRESSES: These documents are available upon written request via email to NMFS.Pr1Comments@noaa.gov.

Written comments on this application should be submitted via email to NMFS.Pr1Comments@noaa.gov. Please include File No. 28229 in the subject line of the email comment.

Those individuals requesting a public hearing should submit a written request via email to NMFS.Pr1Comments@noaa.gov. The request should set forth the specific reasons why a hearing on this application would be appropriate.

FOR FURTHER INFORMATION CONTACT: Carrie Hubard or Erin Markin, Ph.D., (301) 427–8401.

SUPPLEMENTARY INFORMATION: The subject permit is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (MMPA; 16 U.S.C. 1361 *et seq.*) and the regulations governing the taking and importing of marine mammals (50 CFR part 216).

The applicant proposes to film up to 540 humpback whales annually in the Auau Channel, Hawaii. Filming may occur from vessels, unmanned aircraft systems, and underwater divers. Fifty bottlenose (*Tursiops truncatus*) and 50 spinner (*Stenella longirostris*) dolphins may be filmed while interacting with humpback whales. Footage will be used for an episode of a natural history television series. The permit would be valid through April 2026.

In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), an initial determination has been made that the activity proposed is categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of the application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Dated: November 22, 2024.
