

**SECURITIES AND EXCHANGE
COMMISSION**

[Release No. 34-101732; File No. SR-BX-2024-051]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, Regarding Options on the Fidelity Wise Origin Bitcoin Fund, the ARK21Shares Bitcoin ETF, the Grayscale Bitcoin Trust (BTC), the Grayscale Bitcoin Mini Trust BTC, and the Bitwise Bitcoin ETF iShares Bitcoin Trust ETF

November 25, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 21, 2024, Nasdaq BX, Inc. (“BX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Options 9, Section 13, Position Limits, and Section 15, Exercise Limits.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, to limit the position limits for options on the Fidelity Wise Origin Bitcoin Fund, the ARK21Shares Bitcoin ETF, the Grayscale Bitcoin Trust (BTC), the Grayscale Bitcoin Mini Trust BTC, and the Bitwise Bitcoin ETF (collectively “Bitcoin Trusts”).

Recently, Cboe Exchange, Inc. (“Cboe”) received approvals to list options on the Fidelity Wise Origin Bitcoin Fund, and the ARK21Shares Bitcoin ETF.³ Also, recently, NYSE American LLC (“NYSE American”) received approvals to list options on the Fidelity Wise Origin Bitcoin Fund, the ARK21Shares Bitcoin ETF, the Grayscale Bitcoin Trust (BTC), the Grayscale Bitcoin Mini Trust BTC, and the Bitwise Bitcoin ETF.⁴ Nasdaq ISE, LLC (“ISE”) filed a rule change to also list and trade options on the Bitcoin Trusts.⁵ BX’s Options 4 Rules were amended by the ISE rule change as those Rules are incorporated by reference to ISE’s Options 4 Rules, so BX has the ability to list the options on the Bitcoin Trusts. The Cboe Approval Order and the NYSE American Approval Order stated that the position and exercise limits for each of the Bitcoin Trusts shall be 25,000 contracts. At this time, the Exchange proposes to amend BX Option 9, Section 13 and Options 9, Section 15 to similarly note that options on the Fidelity Wise Origin Bitcoin Fund, the ARK21Shares Bitcoin ETF, the Grayscale Bitcoin Trust (BTC), the Grayscale Bitcoin Mini Trust BTC, and the Bitwise Bitcoin ETF shall have position and exercise limits of 25,000 contracts to mirror the Cboe Approval Order and the NYSE American Approval Order, respectively.

³ See Securities Exchange Act Release No. 101387 (October 18, 2024), 89 FR 84948 (October 24, 2024) (SR-Cboe-2024-035) (Notice of Filing of Amendment Nos. 2 and 3 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment Nos. 2 and 3, To Permit the Listing and Trading of Options on Bitcoin Exchange-Traded Funds) (“Cboe Approval Order”).

⁴ See Securities Exchange Act Release No. 101386 (October 18, 2024), 89 FR 84960 (October 24, 2024) (SR-NYSEAMER-2024-49) (Notice of Filing of Amendment No. 3 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No. 3, To Permit the Listing and Trading of Options on Bitcoin Exchange-Traded Funds) (“NYSE American Approval Order”).

⁵ See SR-ISE-2024-54.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange’s proposal to amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, to provide that the position and exercise limits for options on each of the Bitcoin Trusts shall be 25,000 contracts is consistent with the Act as it will conform BX’s options position and exercise limits for each of the Bitcoin Trusts with ISE’s options position and exercise limits on these same Bitcoin Trusts to align those limits.⁸

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Amending Options 9, Sections 13 and 15 to provide that the position and exercise limits for options on each of the Bitcoin Trusts shall be 25,000 contracts does not impose an undue burden on competition as the position and exercise limits will apply to all trading for options on the Bitcoin Trusts trading on the Exchange as well as those trading on other exchanges that file a similar proposal.⁹

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and Rule

⁶ 15 U.S.C. 78f(b)

⁷ 15 U.S.C. 78f(b)(5).

⁸ The Exchange believes that other exchanges will adopt position and exercise limits of 25,000 contracts for options on each of the Bitcoin Trusts. All Nasdaq affiliated markets have filed to adopt a 25,000 contract position and exercise limit for the Bitcoin Trusts.

⁹ All Nasdaq affiliated markets are filing to adopt a 25,000 contract position and exercise limit for options on the Bitcoin Trusts.

¹⁰ 15 U.S.C. 78s(b)(3)(A)(iii).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

19b-4(f)(6) thereunder.¹¹ Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and subparagraph (f)(6) of Rule 19b-4 thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6)¹⁴ under the Act does not normally become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁵ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission previously approved the listing of options on the Fidelity Wise Origin Bitcoin Fund, the ARK21Shares Bitcoin ETF, the Grayscale Bitcoin Trust (BTC), the Grayscale Bitcoin Mini Trust BTC, and the Bitwise Bitcoin ETF.¹⁶ As noted above, BX's Options 4 Rules were amended by an ISE rule change¹⁷ as those Rules are incorporated by reference to ISE's Options 4 Rules, so BX has the ability to list the options on the Bitcoin Trusts. This proposal also establishes position and exercise limits for options on the Bitcoin Trusts. The Commission believes that waiver of the operative delay could benefit investors by assuring that trading Bitcoin Trust

options are subject to the same position and exercise limits in place on other exchanges. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-BX-2024-051 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.
- All submissions should refer to file number SR-BX-2024-051. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<https://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than

those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-BX-2024-051 and should be submitted on or before December 23, 2024.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁹

Vanessa A. Countryman,
Secretary.
