ceramic tile manufactured or exported by Cayenne and Foshan Qiangshengda, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i).⁴ On August 5, 2024, we placed on the record U.S. Customs and Border Protection (CBP) data for entries of ceramic tile from China during the POR, showing no reviewable POR entries, and invited interested parties to comment.⁵ On August 12, 2024, the Coalition for Fair Trade in Ceramic Tile (petitioner) submitted comments to Commerce regarding the CBP data, requesting that Commerce rescind the administrative review.⁶

Additionally, on August 20, 2024, Commerce notified all interested parties of its intent to rescind this administrative review in full because there were no reviewable, suspended entries of subject merchandise by the company listed in the *Initiation Notice* during the POR and invited interested parties to comment.⁷ On August 27, 2024, the petitioner submitted comments to Commerce regarding the intent to rescind the instant review, again requesting that Commerce rescind the review.⁸

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP

to liquidate at the AD assessment rate calculated for the review period.¹¹ As noted above, there were no entries of subject merchandise for the companies listed in the *Initiation Notice* during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: November 25, 2024.
