Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213(h)(2) and 351.221(b)(4).

On August 16, 2024, Commerce received a notice of intent to participate in this review from the Dexstar Wheel Division of Americana Development (Dexstar) within the deadline specified in 19 CFR 351.218(d)(1)(i).³ Dexstar claimed interested party status under section 771(9)(c) of the Act and 19 CFR

Changes Since the Preliminary Results

Based on the arguments raised and a review of the record and all supporting documentation, we made certain changes to the *Preliminary Results*. For a full description of these revisions, see the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, Commerce finds that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our conclusions, including any determination that relied upon the use of adverse facts available pursuant to section 776(a) and (b) of the Act, see the accompanying Issues and Decision Memorandum.

Final Results of Review

Commerce determines that the following countervailable subsidy rate exists for the period January 1, 2022, through December 31, 2022:¹⁰

Company	Subsidy rate (percent <i>ad valorem</i>)
Kumar Industries, India; Advance Chemical Corporation; Rexasize Rasayan Industries; Reliance Corporation	6.03

Disclosure

Commerce intends to disclose its calculations and analysis performed to

⁹ See sections 771(5)(B) and (D) of the Act regarding financial contribution; see also section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

¹⁰ As discussed in the *Preliminary Results* and Issues and Decision Memorandum, Commerce has found the following companies to be cross-owned with Kumar Industries, India: Advance Chemical Corporation, Rexasize Rasayan Industries, and Reliance Corporation.
