

the Office of Management and Budget (OMB) regulations, DoD, GSA, and NASA invite the public to comment on an extension concerning subcontracting plans. DoD, GSA, and NASA invite comments on: whether the proposed collection of information is necessary for the proper performance of the functions of Federal Government acquisitions, including whether the information will have practical utility; the accuracy of the estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. OMB has approved this information collection for use through May 31, 2025. DoD, GSA, and NASA propose that OMB extend its approval for use for three additional years beyond the current expiration date.

DATES: DoD, GSA, and NASA will consider all comments received by February 4, 2025.

ADDRESSES: DoD, GSA, and NASA invite interested persons to submit comments on this collection through <https://www.regulations.gov> and follow the instructions on the site. This website provides the ability to type short comments directly into the comment field or attach a file for lengthier comments. If there are difficulties submitting comments, contact the GSA Regulatory Secretariat Division at 202-501-4755 or GSARegSec@gsa.gov.

Instructions: All items submitted must cite OMB Control No. 9000-0007, Subcontracting Plans. Comments received generally will be posted without change to <https://www.regulations.gov>, including any personal and/or business confidential information provided. To confirm receipt of your comment(s), please check www.regulations.gov, approximately two-to-three days after submission to verify posting.

FOR FURTHER INFORMATION CONTACT: Zenaida Delgado, Procurement Analyst, at telephone 202-969-7207, or zenaida.delgado@gsa.gov.

SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000-0007, Subcontracting Plans.

B. Need and Uses

This clearance covers the information that offerors and contractors must submit to comply with the requirements in Federal Acquisition Regulation (FAR)

52.219-9, Small Business Subcontracting Plans, regarding subcontracting plans as follows:

1. Subcontracting plan. In accordance with section 8(d) of the Small Business Act (15 U.S.C. 637(d)), contractors receiving a contract that is expected to exceed, or a contract modification that causes a contract to exceed, \$750,000 (\$1.5 million for construction of a public facility) and has subcontracting possibilities, shall submit an acceptable subcontracting plan that provides maximum practicable opportunities for small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns. Specific elements required to be included in the plan are specified in section 8(d) of the Small Business Act and implemented in FAR subpart 19.7 and the clause at FAR 52.219-9.

2. Summary Subcontract Report (SSR). In conjunction with the subcontracting plan requirements, contractors with subcontracting plans must submit an annual summary of subcontracts awarded as prime and subcontractors for each specific Federal Government agency. Contractors submit the information in an SSR through the Electronic Subcontracting Reporting System (eSRS). This is required for all contractors with subcontracting plans regardless of the type of plan (*i.e.*, commercial or individual).

3. Individual Subcontract Report (ISR). In conjunction with the subcontracting plan requirements, contractors with individual subcontracting plans must submit semi-annual reports of their small business subcontracting progress. Contractors submit the information through eSRS in an ISR, the electronic equivalent of the Standard Form (SF) 294, Subcontracting Report for Individual Contracts. Contracts that are not reported in the Federal Procurement Data System (FPDS) in accordance with FAR 4.606(c)(5) do not submit ISRs in eSRS; they will continue to use the SF 294 to submit the information to the agency.

4. Written explanation for not using a small business subcontractor as specified in the proposal or subcontracting plan. Section 1322 of the Small Business Jobs Act of 2010 (Jobs Act), Public Law 111-240, amends the Small Business Act (15 U.S.C. 637(d)(6)) to require as part of a subcontracting plan that a prime contractor make good faith effort to utilize a small business subcontractor during performance of a contract to the same degree the prime contractor relied on the small business in preparing and submitting its bid or

proposal. If a prime contractor does not utilize a small business subcontractor as described above, the prime contractor is required to explain, in writing, to the contracting officer the reasons why it is unable to do so.

C. Annual Burden

Respondents: 30,365.

Total Annual Responses: 49,296.

Total Burden Hours: 112,704.

Obtaining Copies: Requesters may obtain a copy of the information collection documents from the GSA Regulatory Secretariat Division by calling 202-501-4755 or emailing GSARegSec@gsa.gov. Please cite OMB Control No. 9000-0007, Subcontracting Plans.

Janet Fry,

Director, Federal Acquisition Policy Division, Office of Governmentwide Acquisition Policy, Office of Acquisition Policy, Office of Governmentwide Policy.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Closed Meeting

Pursuant to 5 U.S.C. 1009(d), notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended, and the Determination of the Director, Office of Strategic Business Initiatives, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, pursuant to Public Law 92-463. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (SEP)—CE25-028, Effectiveness Research to Prevent Polysubstance-Impaired Driving.

Dates: April 15-16, 2025.

Times: 10 a.m.-5 p.m., EDT.

Place: Web Conference.

Agenda: To review and evaluate grant applications.

For Further Information Contact: Carlisha Gentles, Pharm.D., B.C.P.S.,

C.D.C.E.S., Scientific Review Officer, National Center for Injury Prevention and Control, Centers for Disease Control and Prevention, 4770 Buford Highway NE, Mailstop S106-9, Atlanta, Georgia 30341. Telephone: (770) 488-1504; Email: CGentles@cdc.gov.

The Director, Office of Strategic Business Initiatives, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Kalwant Smagh,

Director, Office of Strategic Business Initiatives, Office of the Chief Operating Officer, Centers for Disease Control and Prevention.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[60Day-25-1257; Docket No. CDC-2024-0101]

Proposed Data Collection Submitted for Public Comment and Recommendations

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice with comment period.

SUMMARY: The Centers for Disease Control and Prevention (CDC), as part of its continuing effort to reduce public burden and maximize the utility of government information, invites the general public and other Federal agencies the opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995. This notice invites comment on a proposed information collection project titled Assessment of Outcomes Associated with the Preventive Health and Health Services Block Grant (PHHS BG). This data collection allows CDC to describe the improvements achieved by grantees with funding and technical assistance provided by the PHHS BG program.

DATES: CDC must receive written comments on or before February 4, 2025.

ADDRESSES: You may submit comments, identified by Docket No. CDC-2024-0101 by any of the following methods:

- *Federal eRulemaking Portal:* www.regulations.gov. Follow the instructions for submitting comments.
- *Mail:* Jeffrey M. Zirger, Information Collection Review Office, Centers for Disease Control and Prevention, 1600 Clifton Road NE, MS H21-8, Atlanta, Georgia 30329.

Instructions: All submissions received must include the agency name and Docket Number. CDC will post, without change, all relevant comments to www.regulations.gov.

Please note: Submit all comments through the Federal eRulemaking portal (www.regulations.gov) or by U.S. mail to the address listed above.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the information collection plan and instruments, contact Jeffrey M. Zirger, Information Collection Review Office, Centers for Disease Control and Prevention, 1600 Clifton Road NE, MS H21-8, Atlanta, Georgia 30329; Telephone: 404-639-7570; Email: omb@cdc.gov.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. In addition, the PRA also requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each new proposed collection, each proposed extension of existing collection of information, and each reinstatement of previously approved information collection before submitting the collection to the OMB for approval. To comply with this requirement, we are publishing this notice of a proposed data collection as described below.

The OMB is particularly interested in comments that will help:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected;

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses; and

5. Assess information collection costs.

Proposed Project

Assessment of Outcomes Associated with the Preventive Health and Health Services Block Grant (PHHS BG) (OMB Control No. 0920-1257, Exp. 6/30/2025)—Extension—National Center for STLT Public Health Infrastructure and Workforce (NCSTLTPHIW), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

Since 1981, CDC has collected information from grantees under the PHHS Block Grant (PHHS BG) (OMB Control No. 0920-0106). This information collection allows CDC to document and monitor the progress of activities supported with Block Grant funding. In 2019, in response to recommendations from governing and advisory entities, CDC obtained OMB approval for collection of additional information focusing on outcomes of PHHS BG funding (OMB Control No. 0920-1257, Exp. 6/30/2025). CDC requests OMB approval to continue collecting the information needed to assess the outcomes of PHHS Block Grant funding. Findings will be used to: (1) describe the outcomes and achievements of grantees' public health efforts and identify how the use of PHHS Block Grant funds contributed to those results; and (2) help assess how the grant advances work of the public health system and provide evidence to support future budgetary requests. Data will be used to describe the grant as a whole—not individual grantee activities or outcomes.

The data collection instrument will be administered online using Qualtrics®, a web-based data collection instrument. Participants will respond to the instrument from their respective work locations. All Health Departments funded by the PHHS BG will be asked to respond to the data collection instrument, but participation is voluntary. Specific respondents include 61 PHHS BG coordinators, or their designees, across 61 health departments funded under the PHHS BG, acting in their official capacities. These respondents represent 50 states, the District of Columbia, two tribes, five U.S. territories, and three freely associated states.
