On October 18, 2024, OUII filed a response in support of the motion. *Id.* On the same day, a number of respondents filed a response stating that they “do not oppose the addition of JMS Trading provided that . . . the target date and procedural schedule are extended by an amount of time equal to the time that elapses between the institution of this investigation and the ultimate addition of JMS Trading.” *Id.* at 2.

On November 4, 2024, the presiding CALJ issued the subject ID (Order No. 15), pursuant to Commission Rule 210.14(b) (19 CFR 210.14(b)), granting Complainants’ motion to amend the complaint and NOI as requested. The ID also finds that “there is good cause to make the ministerial updates to the complaint that JBS Hair proposes.” *Id.* The CALJ denied the respondents’ request to extend the target date and procedural schedule.

The Commission has determined not to review the subject ID (Order No. 15).

The Commission vote for this determination took place on December 2, 2024.
