#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The Census Bureau is implementing an electronic Decennial Census Temporary, Intermittent Applicant Information Collection to gather information from job seekers needed to fill temporary, intermittent Decennial Census Program positions, starting with the 2026 Census Test. Questions used to qualify and select applicants for positions are in the *job application information* section of the collection. This section collects Social Security number, date of birth, contact information, citizenship status, selective service and veteran's preference status and documentation, Federal employment/annuity status, access to transportation, hours of availability and related job experience. The *supplemental voluntary applicant information* section includes questions found on the Equal Employment Opportunity Commission's (EEOC's) common use form 3046-0046, Demographic Information on Applicants for Federal Employment, developed to support EEOC Management Directive (MD) 715-1. The voluntary questions also include recruiting source and education questions to help improve future recruiting efforts.

This collection gathers basic information needed for all temporary, intermittent decennial positions, streamlining the application process for both the applicant and the Census Bureau, by allowing applicants to be considered for several positions with one set of application data. To further evaluate each applicant's fit for positions, after completing the Decennial Census Temporary, Intermittent Applicant Information Collection, applicants will answer position related assessment questions.

The Census Bureau discontinued a similar collection for the Current Surveys, Special Census, and Decennial Census Programs under OMB No. 0607-0139.

##### II. Method of Collection

Data will be gathered electronically in a system called, Decennial Administrative, Recruiting, Hiring, and Training System (DARHTS). Applicants will visit *census.gov*, click on a link to access the DARHTS, create an account and proceed to complete the *job application information*, the *supplemental voluntary applicant information*, and then the position specific assessment questionnaires. The

DARHTS system will create an electronic PDF output of the *job application information* questions and the applicant respondent's answers as a record. If the applicant respondent makes subsequent changes to their *job application information*, the system will create additional PDF documents for each change submission. Each PDF created will include the OMB clearance number and the expiration date.

The Census Bureau is not including for clearance an online Spanish version of DARHTS or paper versions of the *job application information* or *supplemental voluntary applicant information* for the three-year period covered by this request. The current collection does not require these job application alternatives. Subsequent renewals will include the Spanish and paper versions, when the collection is rolled out to Puerto Rico and remote parts of Alaska.

##### III. Data

*OMB Control Number:* 0607-XXXX.

*Form Number(s):* None.

*Type of Review:* Regular submission, New Information Collection Request.

*Affected Public:* Individuals interested in being considered for temporary, intermittent decennial census jobs.

*Estimated Number of Respondents:* 12,000 over 3 years.

*Estimated Time per Response:* 20 minutes.

*Estimated Total Annual Burden Hours:* 1,333 average per year, 4,000 total over 3 years.

*Estimated Total Annual Cost to Public:* \$0

*Respondent's Obligation:* Voluntary.  
*Legal Authority:* Title 13, United States Code, Section 23a and 23; EEOC Management Directive (MD) 715-1 and Executive Order 13548.

##### IV. Request for Comments

We are soliciting public comments to permit the Department/Bureau to: (a) Evaluate whether the proposed information collection is necessary for the proper functions of the Department, including whether the information will have practical utility; (b) Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used; (c) Evaluate ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Comments that you submit in response to this notice are a matter of

public record. We will include, or summarize, each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

##### **Certain High Chrome Cast Iron Grinding Media From India: Preliminary Affirmative Determination of Sales at Less Than Fair Value, Postponement of Final Determination, and Extension of Provisional Measures**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily determines that certain high chrome cast iron grinding media (grinding media) from India is being, or is likely to be, sold in the United States at less than fair value (LTFV). The period of investigation (POI) is April 1, 2023, through March 31, 2024. Interested parties are invited to comment on this preliminary determination.

**DATES:** Applicable December 6, 2024.

**FOR FURTHER INFORMATION CONTACT:** Charles DeFilippo, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3797.

#### SUPPLEMENTARY INFORMATION:

##### **Background**

This preliminary determination is made in accordance with section 733(b) of the Tariff Act of 1930, as amended (the Act). Commerce initiated this

investigation on May 16, 2024.<sup>1</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>2</sup> On September 10, 2024, Commerce postponed the preliminary determination of this investigation until November 29, 2024.<sup>3</sup> For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.<sup>4</sup>

A list of topics included in the Preliminary Decision Memorandum is provided in Appendix II of this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Scope of the Investigation**

The product covered by this investigation is grinding media from India. For a complete description of the scope of this investigation, see Appendix I.

**Scope Comments**

In accordance with the *Preamble* to Commerce's regulations,<sup>5</sup> the *Initiation*

*Notice* set aside a period of time for parties to raise issues regarding product coverage (*i.e.*, scope).<sup>6</sup> Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice*. For a summary of the product coverage comments and rebuttal responses submitted to the record for this preliminary determination, and accompanying discussion and analysis of all comments timely received, see the Preliminary Scope Decision Memorandum.<sup>7</sup> Commerce is not preliminarily modifying the scope language as it appeared in the *Initiation Notice*. See the scope in Appendix I to this notice. Pursuant to 19 CFR 351.309(c)(2), interested parties may submit additional comments on the scope of this investigation in scope case briefs, which may be submitted no later than 30 days after the issuance of the Preliminary Scope Decision Memorandum.<sup>8</sup>

**Methodology**

Commerce is conducting this investigation in accordance with section 731 of the Act. Constructed export prices have been calculated in accordance with section 772(b) of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying the preliminary determination, see the Preliminary Decision Memorandum.

**All-Others Rate**

Sections 733(d)(1)(ii) and 735(c)(5)(A) of the Act provide that in the preliminary determination Commerce shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

Commerce calculated an individual estimated weighted-average dumping margin for AIA Engineering Limited (AIAEL) and its affiliates (collectively, AIA),<sup>9</sup> the only individually examined exporter/producer<sup>10</sup> in this investigation. Because the only individually calculated dumping margin is not zero, *de minimis*, or based entirely on facts otherwise available, the estimated weighted-average dumping margin calculated for AIA is the margin assigned to all other producers and exporters, pursuant to section 735(c)(5)(A) of the Act.

**Preliminary Determination**

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist:

Exporter/producer	Estimated weighted-average dumping margin (percent)	Cash deposit rate (adjusted for subsidy offset(s)) (percent) <sup>11</sup>
AIA Engineering Limited <sup>12</sup> .....	7.18	4.30
All Others .....	7.18	4.30

<sup>7</sup> See Memorandum, "Antidumping Duty and Countervailing Duty Investigations of Certain High

Chrome Cast Iron Grinding Media from India: Preliminary Scope Decision Memorandum," dated concurrently with this preliminary determination (Preliminary Scope Decision Memorandum).

<sup>8</sup> *Id.*

<sup>9</sup> See Memorandum, "Preliminary Affiliation and Collapsing Memorandum for AIA Engineering Limited, Welcast Steel Limited, Vega Industries (Middle East) F.Z.C, and Vega Industries Ltd., USA," dated concurrently with this memorandum (Collapsing Memorandum).

<sup>10</sup> Commerce initially selected both Vega Industries and AIAEL as the two mandatory respondents for this investigation. See Respondent Selection Memorandum, dated June 11, 2024. However, AIA requested on behalf of itself and its affiliated companies, including Vega Industries, to submit only one set of responses to Commerce's investigation. Therefore, AIAEL will have the sole calculated dumping margin in this investigation. For more information, see Preliminary Decision Memorandum and Collapsing Memorandum.

<sup>11</sup> Adjusted for export subsidies of 2.88 percent (comprised of 1.63 percent for the duty drawback program, 0.07 percent for the status holder incentive scheme, 0.18 percent for the interest equalization scheme, and 1.00 percent for the remission of duties and taxes on export products) for AIA. See *Certain High Chrome Cast Iron Grinding Media from India: Preliminary Affirmative Countervailing Duty Determination, and Alignment of Final Determination with Final Antidumping Duty Determination*, 89 FR 80865 (October 4, 2024), and accompanying Preliminary Decision Memorandum.

<sup>12</sup> Commerce preliminarily determines that AIAEL and Welcast Steel Limited (Welcast) are a single entity. In addition, Commerce preliminarily determines that AIAEL is affiliated with Vega Industries (Middle East) F.Z.C (Vega ME) and Vega Industries Ltd., USA (Vega USA). See Preliminary Decision Memorandum and Collapsing Memorandum.

## Suspension of Liquidation

In accordance with section 733(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise, as described in Appendix I, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to section 733(d)(1)(B) of the Act and 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the estimated weighted-average dumping margin or the estimated all-others rate, as follows: (1) the cash deposit rate for the respondents listed above will be equal to the company-specific estimated weighted-average dumping margins determined in this preliminary determination; (2) if the exporter is not a respondent identified above, but the producer is, then the cash deposit rate will be equal to the company-specific estimated weighted-average dumping margin established for that producer of the subject merchandise; and (3) the cash deposit rate for all other producers and exporters will be equal to the all-others estimated weighted-average dumping margin.

Commerce normally adjusts cash deposits for estimated antidumping duties by the amount of export subsidies countervailed in a companion countervailing duty (CVD) proceeding, when CVD provisional measures are in effect. Accordingly, where Commerce preliminarily made an affirmative determination for countervailable export subsidies, Commerce has offset the estimated weighted-average dumping margin by the appropriate CVD rate. Any such adjusted cash deposit rate may be found in the “Preliminary Determination” section above. Should provisional measures in the companion CVD investigation expire prior to the expiration of provisional measures in this LTFV investigation, Commerce will direct CBP to begin collecting estimated antidumping duty cash deposits unadjusted for countervailed export subsidies at the time that the provisional CVD measures expire. These suspension of liquidation instructions will remain in effect until further notice.

## Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Consistent with 19 CFR 351.224(e), Commerce will analyze and, if appropriate, correct any timely allegations of significant ministerial errors by amending the preliminary determination. However, consistent with 19 CFR 351.224(d), Commerce will not consider incomplete allegations that do not address the significance standard under 19 CFR 351.224(g) following the preliminary determination. Instead, Commerce will address such allegations in the final determination together with issues raised in the case briefs or other written comments.

## Verification

As provided in section 782(i)(1) of the Act, Commerce intends to verify the information relied upon in making its final determination.

## Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>13</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>14</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this investigation, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>15</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations

<sup>13</sup> See 19 CFR 351.309(d); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Final Rule*).

<sup>14</sup> See 19 CFR 351.309(c)(2) and (d)(2).

<sup>15</sup> We use the term “issue” here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>16</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain 1) the party’s name, address, and telephone number; 2) the number of participants and whether any participant is a foreign national; and 3) a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

## Postponement of Final Determination and Extension of Provisional Measures

Section 735(a)(2) of the Act provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative preliminary determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Section 351.210(e)(2) of Commerce’s regulations requires that a request by exporters for postponement of the final determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On October 15, 2024, pursuant to 19 CFR 351.210(e), AIA requested that Commerce postpone the final determination and that provisional measures be extended to a period not to exceed six months.<sup>17</sup> In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) the preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month

<sup>16</sup> See *APO and Service Final Rule*.

<sup>17</sup> See AIA’s Letter, “Request to Postpone Final Determination,” dated October 15, 2024.

period to a period not greater than six months. Accordingly, Commerce will make its final determination no later than 135 days after the date of publication of this preliminary determination.

### U.S. International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, Commerce will notify the ITC of its preliminary determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether these imports are materially injuring, or threaten material injury to, the U.S. industry.

### Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act, and 19 CFR 351.205(c).

Dated: November 29, 2024.

**Steven Presing,**

*Acting Deputy Assistant Secretary for Policy and Negotiations.*

## Appendix I

### Scope of the Investigation

The scope of this investigation covers chrome cast iron grinding media in spherical (ball) or ovoid shape, with an alloy composition of seven percent or more ( $\geq 7$  percent of total mass) chromium (Cr) content and produced through the casting method, with a nominal diameter of up to 127 millimeters (mm) and tolerance of plus or minus 10 mm. The products covered by the scope are currently classified under Harmonized Tariff Schedule of the United States (HTSUS) subheading 7325.91.0000. This HTSUS subheading is provided for convenience and U.S. Customs purposes only. The written description of the scope is dispositive.
