The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the

sale for importation, or the sale within the United States after importation of certain network equipment supporting NETCONF by reason of infringement of certain claims of U.S. Patent Nos. 10,567,474 and 10,848,546 (“Asserted Patents”). *Id.* The complaint further alleges that a domestic industry exists. *Id.* The Commission’s notice of investigation named as respondents: Changsha Silun Network Technology Co., Ltd. of Hunan, China; Hunan Maiqiang Network Technology Company Limited of Hunan, China; Hunan Zikun Information Technology Co., Ltd. of Hunan, China; and Guangzhou Qiton Electronics Technology Co., Ltd. of Guangdong, China (collectively, “Respondents”). *Id.* OUII is participating as a party in this investigation. *Id.*

On September 18, 2024, OUII filed a motion for summary determination arguing that Complainant cannot show that the accused products infringe the asserted claims of the Asserted Patents, and that the investigation should be terminated with a finding of no violation of section 337. On September 26, 2024, Complainant filed an
