Abstract of Proposed Collection

The mission of Office of Overseas Schools of the Department of State (A/OPR/OS) is responsible for determining that adequate educational opportunities exist at the elementary and secondary level for dependents of American citizens carrying out the programs of the U.S. Government abroad, and for assisting American-sponsored overseas schools to embody the best educational practices employed in the United States, and promote mutual understanding among peoples through education.

The information submitted by assisted schools through the MyGrants application, enables the technical and professional staff of A/OPR/OS to monitor obligations, expenditures and reimbursements of the grant funds and ensure the grantee is in compliance with the terms of the grant. In addition, A/OPR/OS plans to use information collected via the MyGrants application to ensure accuracy of the information published on its website, namely the Fact Sheets and Special Needs Profiles.

Availability of adequate educational opportunities for dependents of Government personnel is essential to the task of recruiting, placing, and retaining Foreign Service personnel at overseas posts.

Methodology

Information is collected via electronic and paper submission.

Martin Kelly,

*Principal Deputy Assistant Secretary,
Administration, Department of State.*

SUPPLEMENTARY INFORMATION: On May 2, 2022, NHTSA published a final rule which stated the agency’s intention to use a new test procedure to validate non-passenger automobile (“light truck”) classification data provided by manufacturers in their pre-model reports submitted under 49 CFR part 537.¹ NHTSA published a **Federal Register** notice on October 29, 2024, providing a draft version of TP–523–00 for comment. TP–523–00 is intended to improve NHTSA’s ability to verify light truck compliance with 49 CFR 523.5(b)(2)(i.–v.) by providing guidelines for a uniform testing and information recording format for contracting laboratories who perform testing for NHTSA.

To provide further information to stakeholders regarding how TP–523–00 would work in practice, NHTSA will hold a demonstration that stakeholders may attend in person. The scope of this demonstration is strictly limited to issues surrounding the implementation of the OVSC Laboratory Test Procedure TP–523. In order to provide additional time for comments to be submitted, NHTSA is extending the comment period to February 28, 2025.

Otto G. Matheke, III,
Director, Office of Vehicle Safety Compliance.
