

Entities likely would incur a total burden of 10,660 burden hours per year to comply with Rules 15Fb1–1 through 15Fb6–2 and Forms SBSE, SBSE–A, SBSE–BD, SBSE–C and SBSE–W.

In addition, Rules 15Fb1–1 through 15Fb6–2 and Forms SBSE, SBSE–A, SBSE–BD, SBSE–C and SBSE–W may impose certain costs on non-resident persons that apply to be registered with the Commission as SBS Entities, including an initial and ongoing costs associated with obtaining an opinion of counsel indicating that it can, as a matter of law, provide the Commission with access to its books and records and submit to Commission examinations, and an ongoing cost associated with establishing and maintaining a relationship with a U.S. agent for service of process.

The staff estimates, based on internet research,<sup>1</sup> that it would cost each nonresident SBS Entity approximately \$211 annually to appoint and maintain a relationship with a U.S. agent for service of process. Consequently, the total cost for all nonresident SBS Entities to appoint and maintain relationships with U.S. agents for service of process is approximately \$5,697 per year.

Nonresident SBS Entities also would incur outside legal costs associated with obtaining an opinion of counsel. The staff estimates that each of the estimated 27 non-resident persons that likely will apply to register as SBS Entities with the Commission would incur, on average, approximately \$25,000 in outside legal costs to obtain the opinion of counsel necessary to register, and that the total annualized cost for Nonresident SBS Entities to obtain this opinion of counsel would be approximately \$225,000. Nonresident SBS Entities would also need to obtain a revised opinion of counsel after any changes in the legal or regulatory framework that would impact the SBS Entity's ability to provide, or manner in which it provides, the Commission with prompt access to its books and records or that impacts the Commission's ability to inspect and examine the SBS Entity. We do not believe this would occur frequently, and therefore estimate that one non-resident entity may need to

Consequently, the total annualized cost burden associated with Rules 15Fb1–1 through 15Fb6–2 and Forms SBSE, SBSE–A, SBSE–BD, SBSE–C and SBSE–W would be approximately \$255,697 per year.

## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–318, OMB Control No. 3235–0361]

### Submission for OMB Review; Comment Request; Extension: Form ADV–E

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form ADV–E (17 CFR 279.8) is the cover sheet for certificates of accounting filed pursuant to rule 206(4)–2(a)(4) under the Investment Advisers Act of 1940 (17 CFR 275.206(4)–(2)(a)(4)). The rule further requires that the public accountant file with the Commission a Form ADV–E and accompanying statement within four business days of the resignation, dismissal, removal from

consideration for being reappointed, or other termination of its engagement.

The Commission has estimated that compliance with the requirement to complete Form ADV–E imposes a total burden of approximately 0.05 hours (3 minutes) per respondent. Based on current information from advisers registered with the Commission, the Commission staff estimates that 1,946 filings will be submitted with respect to surprise examinations and 52 filings will be submitted with respect to termination of accountants. Based on these estimates, the total estimated annual burden would be 99.90 hours ((1,946 filings × .05 hours) + (52 filings × .05 hours)).

The information provided on Form ADV–E is mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

**Public Comment Instructions:** The 30-day public comment period for this information collection request opens on December 16, 2024 and closes at the end of the day on January 13, 2025. ## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–017, OMB Control No. 3235–0017]

### Proposed Collection; Comment Request; Extension: Rules 6a–1 and 6a–2, Form 1

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information

provided for in Rule 6a–1 (17 CFR 240.6a–1), Rule 6a–2 (17 CFR 240.6a–2), and Form 1 (17 CFR 249.1) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

The Exchange Act sets forth a regulatory scheme for national securities exchanges. Rule 6a–1 under the Exchange Act generally requires an applicant for initial registration as a national securities exchange to file an application with the Commission on Form 1. An exchange that seeks an exemption from registration based on limited trading volume also must apply for such exemption on Form 1. Rule 6a–2 under the Exchange Act requires registered and exempt exchanges: (1) to amend the Form 1 if there are any material changes to the information provided in the initial Form 1; and (2) to submit periodic updates of certain information provided in the initial Form 1, whether such information has changed or not. The information required pursuant to Rules 6a–1 and 6a–2 is necessary to enable the Commission to maintain accurate files regarding the exchange and to exercise its statutory oversight functions. Without the information submitted pursuant to Rule 6a–1 on Form 1, the Commission would not be able to determine whether the respondent has met the criteria for registration (or an exemption from registration) set forth in Section 6 of the Exchange Act. The amendments and periodic updates of information submitted pursuant to Rule 6a–2 are necessary to assist the Commission in determining whether a national securities exchange or exempt exchange is continuing to operate in compliance with the Exchange Act.

Initial filings on Form 1 by prospective exchanges are made on a one-time basis. The Commission estimates that it will receive approximately one initial Form 1 filing per year and that each respondent would incur an average burden of 880 hours to file an initial Form 1. Therefore, the Commission estimates that the annual burden for all respondents to file the initial Form 1 would be 880 hours (one response/respondent × one respondent × 880 hours/response).

There currently are 26 entities registered as national securities exchanges. The Commission estimates that each registered or exempt exchange files eleven amendments or periodic updates to Form 1 per year, incurring an average burden of 25 hours per

amendment to comply with Rule 6a–2. The Commission estimates that the annual burden for all respondents to file amendments and periodic updates to the Form 1 pursuant to Rule 6a–2 would be 7,150 hours (26 respondents × 25 hours/response × 11 responses/respondent per year).

The total estimated annual time burden associated with Rules 6a–1 and 6a–2 is thus approximately 8,030 hours (880 + 7,150).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by February 11, 2025.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg, 100 F Street NE, Washington, DC 20549, or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).
