SUPPLEMENTARY INFORMATION:

OMB Number: 3133–0015.

Title: Chartering and Field of Membership Manual, 12 CFR 701.1, App. B to Part 701.

Type of Review: Revision of a currently approved collection.

Abstract: The FCU Act requires NCUA to administer chartering and field of membership requirements for FCUs. This is implemented through the Chartering and Field of Membership (Chartering) Manual as incorporated into NCUA regulations at 12 CFR 701.1 and Appendix B to Part 701. The Chartering Manual requires credit unions to prepare and submit forms with regard to chartering, field of membership amendments, service to underserved areas, and conversions from federal to state credit unions and state to federal credit unions.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Number of Respondents: 9,261.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Responses: 9,261.

Estimated Hours per Response: 2.354281395.

Estimated Total Annual Burden Hours: 21,803.

Reason for Change: There was an increase in the number of new charters, single and multiple common bond expansions, and underserved area applications has been steadily increasing resulting in an increase in burden hours.

Request for Comments: Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) whether the collection of information is necessary for the proper performance of the function of the

agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.

B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Facility Security Clearance and Safeguarding of National Security Information and Restricted Data." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment

period on this information collection on August 7, 2024, 89 FR 64485.

1. *The title of the information collection*: Facility Security Clearance and Safeguarding of National Security Information and Restricted Data.
2. *OMB approval number*: 3150-0047.
3. *Type of submission*: Extension.
4. *The form number, if applicable*: NRC Form 405F.

5. *How often the collection is required or requested*: When new facility clearance requests are received, existing facility clearances are terminated, when respondents make changes reportable under the rule, including a mandatory submission every 5 years.

6. *Who will be required or asked to respond*: NRC-regulated facilities and their contractors who require access to, and possession of NRC classified information.

7. *The estimated number of annual responses*: 156 (136 reporting responses + 20 recordkeepers).

8. *The estimated number of annual respondents*: 20.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request*: 940 (784 hours reporting + 156 recordkeeping).

10. *Abstract*: The NRC-regulated facilities and their contractors who are authorized to access and possess classified matter are required to provide information and maintain records to ensure an adequate level of protection is provided to NRC classified information and material.

Dated: December 9, 2024.

For the Nuclear Regulatory Commission.

David Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
