

respondents to understand and complete them. Some of these edits were based on the comments referenced in the prior bullet and others based on other feedback from program staff and workgroup members.

- Addition of questions in the State profile instrument that are designed to help States establish health care coverage and manage the financial aspects of child support services. The new questions pertain to policies and procedures associated with new hire

reporting, income withholdings, lump sum payments, medical support, and State electronic funds transfers. The addition of these questions slightly increased the estimated time per response from .3 hours to .5 hours.

Respondents: State and Tribal CSAs.
