

nor the financial investments in public campgrounds and other improvements on these lands.

There are no suitable alternative sites, as the described lands contain resource values that need protection.

Water rights will not be needed to fulfill the purpose of the proposed withdrawal.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the BLM New Mexico State Director at the address listed above (see **ADDRESSES**).

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives of officials of organizations or businesses, will be made available for public inspection in their entirety.

For a period until December 16, 2026, subject to valid existing rights, the lands and mineral interests in this notice will be segregated from location and entry under the United States mining laws, and leasing under the mineral and geothermal leasing laws, subject to valid existing rights unless the proposal is canceled, or the withdrawal is approved prior to that date.

Licenses, permits, cooperative agreements, or discretionary land use authorizations of a temporary nature may be allowed with the approval of the authorized officers of the USDA Forest Service or the BLM during the segregation period.

This proposed withdrawal will be processed in accordance with the regulations set forth in 43 CFR part 2300.

(Authority: 43 U.S.C. 1714).

Melanie G. Barnes,

BLM New Mexico State Director.
