Background

Updating Existing General Licenses Authoring Payments for Legal Services From Funds Originating Outside the United States

In this rule, OFAC is updating 31 CFR 510, 515, 526, 536, 544, 547, 548, 549, 550, 551, 552, 553, 555, 558, 569, 570, 576, 578, 579, 582, 583, 584, 585, 587, 588, 589, 590, 591, 594, 597, 598, and 599 to update or add general licenses authorizing payments for legal services from funds originating outside the United States. Specifically, OFAC is replacing the requirement in the general license to submit annual reports for payments received with a requirement to retain for ten years records with details of payments received.

In 31 CFR 591, in addition to replacing the reporting requirement with a recordkeeping requirement as described above, OFAC is revising the general license by simplifying the language that authorizes payments.

In 31 CFR 594 and 597, in addition to replacing the reporting requirement with a recordkeeping requirement as described above, OFAC is updating § 594.517 and § 597.513 to conform with current standards for OFAC general licenses including by removing the requirement for a letter of engagement prior to receiving payment from funds originating outside the United States.

In 31 CFR 549, OFAC is updating the general license at § 549.507 authorizing the provision of certain legal services to conform with current standards for OFAC general licenses including by removing the requirement that payment for legal services be specifically licensed. Additionally, OFAC is renumbering the general licenses at § 549.508 through 549.512 as § 549.509 through 549.513, respectively, and adding new § 549.508, which authorizes payment for legal services from funds originating outside the United States.

In 31 CFR 576, OFAC is updating the general license at § 576.507 authorizing the provision of certain legal services to conform with current standards for OFAC general licenses including by removing the requirement that payment for legal services be specifically licensed. Additionally, OFAC is adding new § 576.508, which authorizes payment for legal services from funds originating outside the United States.

Public Participation

Because the Regulations involve a foreign affairs function, the provisions of E.O. 12866 of September 30, 1993, “Regulatory Planning and Review” (58 FR 51735, October 4, 1993), as amended, and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.
